Message From The Commodore Jerry Wood

Hello Fellow Club Members

The elections are over and we are headed for the New Year. We have had a great month at the club with some incredible dinners from our cooking crews.

All of our volunteers are busy getting ready for the Parade of Lights in December. From what I can see of the plans, our boat is going to be a winner.

The club is ready for the Christmas decorations, so let's work to make sure it looks good for the Holidays.

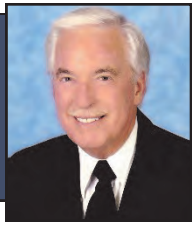

The new bridge and board need your help to fill positions on their committees. Step up and volunteer for next year. I think you will find a lot of satisfaction doing something to help make the club a success.

We have an all-new gear locker that Mary Foster has spent many hours setting up. Get ready to make your Holiday purchases now. We also need some volunteers to help staff our new locker on our open nights.

**My time as commodore is running out,
so come join me at the club for the rest of the year.**

Jerry

Message From Thomas Warden The Vice-Commodore

October felt more like summer with 90° temperatures and lots of boats on the water.

The **Wednesday night dinners** have been well attended with the efforts of Harry Krum, Cary Verstynen, Dave Wardlow, Skip Preseton, Tim Haapanen, Jim Carlson, Peter Hicks, and many others. There were special menus and new culinary experiences each week for our members. Their efforts make this club happen.

If anyone notices anything around the club which needs attention, such as painting, mechanical, or electrical repairs, let us know and we will get it done!

Please close and lock the door to the office when leaving the office at any time.

October 10 we had a presentation for the **Caregivers for Seniors** represented by Randy Alcorn, the immediate past Commodore of the Anacapa Yacht Club. Randy advised the scope of the services rendered by the Caregivers for Senior Citizens. This presentation was in connection with a sale-a-thon which occurred the following Sunday.

The **Thanksgiving dinner** this year was prepared by Dana Hamilton and Mary Foster and their outstanding cooking crew.

On **November 3, 2012**, the **Awards Dinner** was heavily attended and numerous awards were handed out by Commodore Jerry Wood, Rear Commodore Jane Thomas and myself, indicating our appreciation of the various people who have provided outstanding efforts on behalf of the Club.

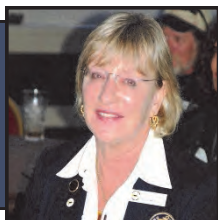

The dinner was preceded by the **Beefeaters prime rib dinner** headed by Keith Moore and many former USCs plus Gary Johnson as added support.

On **November 4**, Dr. Judy Balcerzak held a fund raiser for her own charity, **Community First Counseling Center**. They had both a silent and live auction that were quite successful.

On **November 9**, the Channel Island Women's Sailing Association held a meeting at our Club, with introductions by Sarah Freifield. The guest speaker was: Kim Weir, one of the best sailboat rigging experts in the area. Kim was extremely informative about the care and condition of sailboats and the various situations in which sailors should be involved as crew members, skippers, and owners. The rigging issues are extremely important to a sailboat and can be very dangerous at times, if not properly maintained.

Kim indicated sailboats should be inspected from time to time by an expert rigger in order to avoid broken shrouds, head stays and back stays, which can result in a de-masting of a sailboat. Kim gave us several anecdotes about his experiences around the harbor. The dinner was well attended and everyone had a great time!

On November 10, The Epicureans put on a festive feast of flash heated salmon, green beans, rice pilaf and a delicious dessert. We had a sellout crowd, all of whom enjoyed the music and dancing. Connie Calo ran a suspenseful raffle through the dinner. We need more of these wonderful dinner evenings.

Message From The Rear Commodore Jane Thomas

November marked the season change with the awards dinner and loss of daylight savings time early in the month.

CIYC was active in November's ASBCYC races, taking 3rd (**Roxanne Vettese**, TROUBLEMAKER), 4th (**Mary Howard**, **Bob Heatherly**, GRACE), and 6th (**Sandra Lochridge**, **Harry Krum**, FUSEE) in the 2nd Guy and Gal race (VYC). The November 10 Turkey Shoot (VYC) was postponed due to weather. The same CIYC racers took the top 3 places in the same order among the A fleet in the 3rd Guy and Gal on **November 17** (1st **Roxanne Vettese** on TROUBLEMAKER; 2nd **Mary Howard** on GRACE with **Bob Heatherly**; 3rd **Sandra Lochridge** on FUSEE with **Harry Krum**). Although the awards haven't been given yet, word has it that CIYC placed in VSC's Wild Turkey Classic (pre-1991 hull) on November 24: **Brent Swanson** (VELERO) took 2nd in non-spinnaker and **Harry Krum** (FUSEE) took 3rd in the spinnaker fleet. Just 2 races are planned for December before we all switch over to holiday mode.

Meanwhile, our **Parade of Lights** committee is making great progress. Dann Daggett and Cindy Crocket came up with a great concept for this year's theme of **HOLIDAY IN TOYLAND** (it's a **SECRET** until the event, **December 8**). Numerous members have helped with the execution so far: **Bill Crocket**, **Joyce Sheridan**, **Sherie Ireland**, **Graham Paine**, **Tim Smith**, **Jennifer Sparks**, **Mike Farrell**, **Curt Ingram**, **Mary Howard**, **Tom Warden**, **Mary Foster**, and **Vidar Bech**, just to name a few.

We can still use some help to construct and secure the set as well as set up the lights and sound. **Saturday, December 1**, will be our **dress rehearsal** when we'll set up everything on the boat to test it and troubleshoot any issues. The boat is in front of the club, and we could use some help hauling the materials down to the boat, holding the set and lights in position, adjusting and securing the display to the boat, etc. **Sunday, December 2**, we'll continue with any additional adjustments needed to the set – allowing time out for the Islanders Brunch. On the day of the **event (December 8)** we'll be reloading the set and making the final preparations for the Parade of Lights through the harbor. Please join us for a few hours if you can – either on the remaining weekend days, starting around 10:00 AM, or at the club to watch the parade with your CIYC family.

Be sure to sign up for **New Year's Eve!** It's always a sell-out. The decorations, food, and entertainment will be spectacular!

Happy Holidays!

Message From Channel Islanders First Mate Mary Ann Moore

Holiday Greetings Islanders!

This past month I attended a very exciting **CALENDER** meeting. What a great year is planned for the Islanders and CIYC. I'll share one sneak peak with you.....in the spring the Islanders' are going to present a **MUSICAL REVIEW**. The REVIEW will be **directed by BARBARA BRAUNS**. Barbara is looking for talent....so if you sing...play an instrument...have a skit...help design sets.....do costumes...do make-up.....or have the "secret desire" to perform....when you see Barbara mention it to her.....stay tuned for the CALL, as they say in show biz!!!!

In next month's CURRENTS I'll share with you all of the Santa's helpers who helped make the inside of the club ready for our holiday celebrating.....as well as a report on our holiday '**JINGE BELL BRUNCH**'.

I want to take this time to **THANK** all of you who became a team member and helped with all of our projects this year.....**YOU ALL DID "GOOD"**. **I had so much fun** ...and I really mean that....that is why I agreed to be the First Mate again for the year 2013.

We have a fun year planned and if any of you have an idea please bring it forward.....depending on what is happening on the club calendar.....maybe we can add it to the Islander's program.

Wishing a Merry Christmas and a Happy Hanukkah to all!

Mary Ann "All Day All Night" Moore
First Mate

Anglers' Corner

By Frank Sullivan

On November 17th we had a great **Anglers' Awards Dinner** prepared by Dave Gable and his Crew. The members of the **White Sea Bass Grow-out Pen Team** were recognized and thanked for the hard work accomplished this year.

Relatively new members **Gary Johnson's 2.7lb Sheepshead** and **Joyce Johnson's 33.6lb Halibut** won the **Men's and Women's Annual Tournament trophies this year**, which may be a first. Unfortunately they were on a Cruise with their family that was scheduled in advance, so they were not present for the dinner.

Eric Ireland won big fish of the Year for his 47.2lb White Sea Bass caught off the Dawn Patrol. The cash prize was \$100 and his name on the **Big Fish of the Year Trophy**.

This year's **Sportsman of the Year Trophy** was awarded to **Don Dickey** in recognition of all his work on the WSB pens and participation in the Anglers programs. Don took over this year as the **WSB Grow-out Pen Coordinator for CIYC**.

WSB Pen Update:

The Pens are empty right now after releasing 9200+ fish in October. We opted to leave the pens empty for the winter so we can do much needed repairs and upgrades. We hope to be able to replace some of the nets and improve the above water containment fencing and roof.

In the next few weeks, we will need to remove and discard the orange fencing that we used to line the predator nets. We will be calling for volunteer helpers for that soon.

During the Annual Anglers Awards Dinner, we had a raffle that raised \$410 earmarked for the WSB Pens. Thank you to Laurie Preston for selling tickets. We also have some commitments from club members for additional donations.

Reminder: Rock fish season ends December 31st and doesn't reopen until March 1st 2013! Additionally the depth restriction for rockfish has been raised from 360ft to 300ft for the remainder of 2012.

"Big Fish of the Month"

\$50 prize

is awarded at the end of every month however you can only win once per year. Legal fin fish only and no sharks.

"Big Fish of the Year"

At the end of the year there will be a Big Fish of the Year award for \$100.00. It does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$555.

White Seabass Program Overview

The Ocean Resources Enhancement and Hatchery Program (OREHP) is an experimental hatchery program investigating the feasibility of using cultured marine finfish to successfully enhance wild fish populations. White seabass are spawned and reared at a hatchery in Carlsbad, which is owned and operated by Hubbs-Sea World Research Institute (HSWRI). The hatchery provides juvenile white seabass, 4 inches in length, to 13 grow-out facilities operated by volunteers throughout southern California. The fish are held at the grow-out facilities until they are ready for release, typically at around 8 to 10 inches in length.

OREHP is one of the few stocking programs dedicated to assessing the biological and economic impacts of its releases, and it is the only program of its kind on the West Coast of North America. Through its responsible approach and extensive, self-imposed scientific review process, OREHP has established itself as a model for stocking programs worldwide.

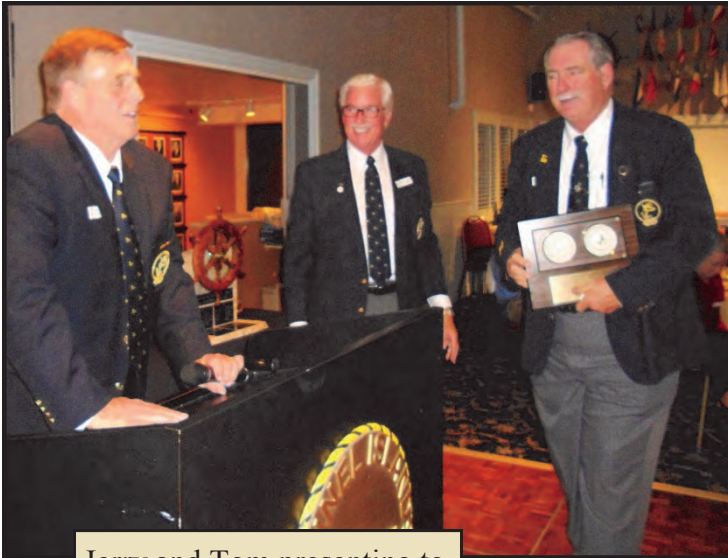

History

The OREHP began in 1982 with legislation (Assembly Bill 1414) authored by California Assemblyman Larry Stirling. Initially, research was focused on California halibut and white seabass; however, research eventually focused exclusively on white seabass because of the depressed condition of the stock and its higher value to both the recreational and commercial fisheries.

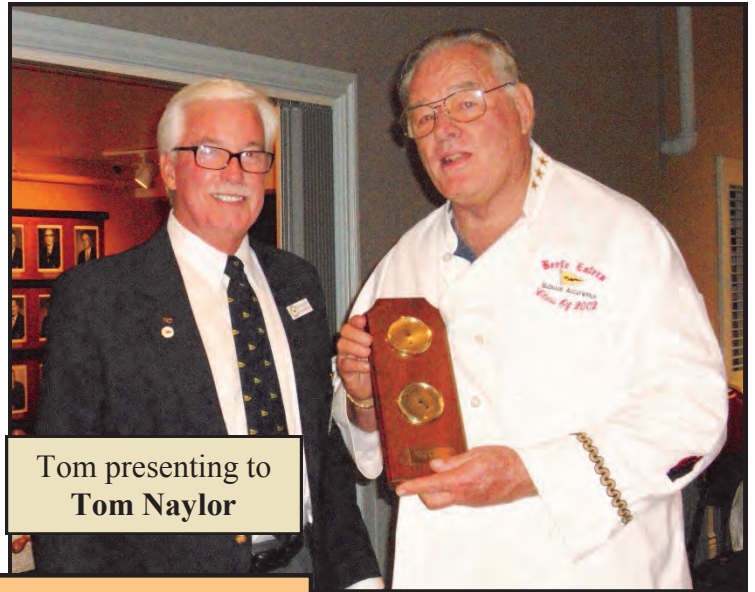

The OREHP is funded through the sale of ocean enhancement stamps on DFG sport and commercial fishing licenses. The stamps are required for all saltwater anglers fishing south of Point Arguello, California (Santa Barbara County). Additional funding comes from the Federal Sportfish Restoration Act (SFRA). The OREHP is managed by DFG with the assistance of an advisory panel consisting of academic and management agency scientists, representatives of both commercial and recreational fishing groups, and the aquaculture industry. Members of the panel provide policy direction, review research proposals, and recommend allocation of funds for the OREHP.

Milestones

- **October 1986** - The first experimental release of more than 2,000 juvenile white seabass took place in Mission Bay (San Diego, California). Fish were propagated and raised at HSWRI's Mission Bay laboratory.
- **March 1992** - The first legal-sized, oxytetracycline-marked, hatchery-raised white seabass was recaptured.
- **October 1995** - The marine fish hatchery became operational, built on land donated by San Diego Gas & Electric Company on Agua Hedionda Lagoon in Carlsbad, California. The marine fish hatchery was funded as an environmental mitigation measure for the San Onofre Nuclear Generating Station (owners include Southern California Edison, San Diego Gas & Electric Company, and the cities of Anaheim and Riverside). Contributions for the construction of the marine fish hatchery also came from private, corporate, and foundation donors.
- **June 1999** - first legal-sized, coded-wire tagged, hatchery-raised white seabass was recaptured
- **2001** - The first year more than 100,000 white seabass were released in southern California waters
- **October 2004** - The one millionth white seabass was released
- **December 2006** - 1.21 million fish released
- **June 2007** - Oldest adult fish recovery (13.31 years). The fish was released off Santa Barbara, California in 1994 and recovered near Ventura, California
- **June 2008** - One hundredth hatchery-raised white seabass recapture
- **March 2009** - 33.8lb White Seabass tagged for Channel Islands Growout facility and released September 1997 was Caught near Catalina Island.
- **2012** over 2million fish released so far.

FROM THE LINEN ROOM...

I wish to take a minute to thank all of those people who showed up on Saturday mornings at 10AM to set tables. Erika, you took the lead for me when I was gone, Les, you can pull those chairs off the tables with the best of 'em (and set a table, too), Johanne, Sherie, Ginny, Graham, Mary Ann, Pam, and those that showed up a time or two, (I can't remember all of you), you all worked like a well-oiled machine. We could not have done it without you!

You have ALL received your certificate for Napkin Folding 101A and B, and also your certificate for the Fine Art of Setting a Table, 201A! Next year, we will focus more on 301A, Table Centerpieces!

I have volunteered to do this again next year, so I hope I will see you then. For those of you thinking of helping, "the more, the merrier". It only takes about 45 minutes of your time on Saturday mornings; you will always find a reminder in your e-mail on Friday!

Last, but not least, I want to thank my husband, Frank for always being there. I couldn't do it without your support.
