Message From The Vice Commodore Jerry Wood

To the Membership of CIYC.....

I have some sad news to report. Our Commodore Cary has resigned his position due to health reasons. I have assumed his responsibilities according to the by-laws of the Club. I will attempt to lead the club in the right direction for the rest of the year. In addition, Phil Woolf will be assuming my duties as Vice Commodore. We ask all of you for your continuing support.

The membership of our club each year elect a board and a bridge to lead the club for that year. You put your trust in us to make good decisions and spend the clubs money wisely. Recently some members have questioned the transparency of what the board spends money for, suggesting that we are trying to hide spending from the membership. At no time have we ever tried to hide money spent from the membership. All expenditures are documented and on the profit and loss statement. This was brought to the attention of the board because of a payment of entry fees for racing events. Most of us on the board thought this was a standard operating procedure. Since our club is facing a tight financial year, we will endeavor to fund racing and other boating activities through fund raising events. This will give people that wish to an opportunity to support these activities .

Our by-laws give all members an outlet to voice an opinion or a grievance by bringing any concerns to the general meeting for discussion and, if need be, a vote of the general membership. There is no need to send out hurtful emails to people on the bridge or board.

On a positive note, the club so far is having a good year in sales at terrific events put on like Connie and her crew from the social committee's Valentines party. Great food and music were the order of the night. Thanks to Frank and Sharon for the job they are doing booking outside events. I would also like to thank Sharon for doing such a great job of setting the room for our dinners. I would also like to thank Justin Turner and his family for taking care of all the February Wednesday night dinners. He really turned out some great food. The Beefeaters, under Tom Naylor, put on a heck of a tri-tip buffet and the Epicureans did their usual splendid meal under Joyce's watchful eyes. Our bar sales have been incredible this month. Keep up the good work everyone. Last, but not least, the incredible Super Bowl Party that Jack and all the cooks put on.

In closing, I would just like to say our club has only one purpose. We exist for the enjoyment of our members. So, please, continue to come and enjoy what the club has to offer along with the friendships we've all made.

Thank all of you for the support this year.

Jerry

Valentine's Day Celebration

Chairs: Connie Calo, Carole Lapointe and Laurie Preston

How lucky we were to have culinary chef, Christine Lapointe and team, prep the food and provide great instructions for the kitchen crew on how to complete it for serving. This was great team work and a dining experience. The night was made extra special by the music of the "Bumps" and there was lots of dancing until the late hours of the evening.

The team that made this possible:

Connie Calo, Carole Lapointe Laurie Preston, Dana Hamilton, Cary Verstynen, Michelle Dilldine, Roger Knipple, Diane Miner, Richard Sherlock, Sue Woolf.

SCYA Midwinters Regatta Feb. 18-19

This was a great event and the largest that we have ever hosted. With the partnership of Stan Wheisonhunt, Ventura Yacht Club, who was instrumental in getting the J 24 (15) Boats to sign up early with a total of 28 entries. Race results can be seen at CIYC home page under Race tab.

It takes a team of people to provide support for this race:

Vice Commodore Jerry Wood for getting the club ready with hot food for the sailors and teams:
Beefeaters Tom Naylor and Keith Moore for the chili and tri-tip dinner;
Committee Boat Captain Frank Sullivan and Co-captain Don Dickey;
Mark Boat Captain Dick Olsen and Mark Boat Captain Norm Grecius.

These people deserve special credit for the use of their boats,
so we could put 28 sailboats to work in a racing competition.

Crew and Race committee members include Mary Howard Ingram, Jane Thomas, Skip Preston, Diane Miner, Roger Knipple, James Lavagnino (Vice Commodore Pierpont YC), Bob Ridenour, Tom Warden, Sue Warden, Richard Sherlock, Commodore Cary Verstynen, Bob Deyling, Casey and his wife Diane (Photographers), Sue Woolf, and Willie Cline (Port Captain).

Channel Islanders First Mate
Mary Ann Moore

Happy Anniversary Islanders!

Would you believe that a quarter of the year is almost gone!!! Time is flying by and so much has happened...I was invited to attend the Beefeaters Change of Watch Dinner and Initiation, and all I can say is "WOW". It was truly like a Knight of the Round Table affair at the local Frat House!!....I was on the guest list because my husband, Keith Moore, is the new USC (Ultimate Supreme Commander) aka El Sombrero Grande. Food was great and the men were very entertaining. Thanks guys for including me.

Our "FAT TUESDAY" luncheon was a big success. 20 members were present, including 4 past First Mates....Joyce Sheridan '02, Ellie Bishop '07, Georgie Olsen '09 and Sue Warden '11. Joyce Sheridan and Nancy Berger were our chefs extraordinaire serving a Fat Tuesday GUMBO, and Keith Moore was our bartender. As always the food was delicious. Sharon Sullivan did a great job with the table settings...with masks and beads in Mardi Gras color which made the tables look very festive. The "Hurricane Sunrises" were a special surprise thanks to Nancy Berger. After the lunch and meeting, some of us stayed to make Mardi Gras masks for Saturday night's dinner. It was really nice to get to know each other a little better.

March is always our **ISLANDER'S ANNIVERSARY DINNER**. This year it will be held March 22nd, so mark your calendar and don't forget to sign up. Joyce and Nancy have a really great menu and our Commodore Jerry Wood will be our guest speaker. Hope to see you all there. Of course, bring your nickels to buy tickets for some great raffle prizes.

OPENING DAY is April 1st and I can't express to you how important your donations are to create our great **OPENING DAY** Party. I have placed an OPENING DAY donation envelope in the bar...please leave CHECKS ONLY in the envelope, made payable to Channel Islanders. I know we can count on you all to come through like you always do. I am also sending out a list of items we would like to borrow to decorate the dining room. I am sure that there is something on this list that is in your yard, garage or on your boat that you would like to loan the club. I am sending the list to Frank to post to the club. Thanks in advance for anything you can do.

HAPPY SAINT Patrick's DAY!!,

CHANNEL ISLANDERS

As reported in the Ventura County Star
by: Stan Whisenhunt

Water Fronts for Feb. 23

The year's biggest racing fleet turned out last weekend for the SCYA Midwinter Regatta, hosted by Channel Islands Yacht Club. Of the 26-boat fleet, the biggest class was the 13-boat J-24 Class, which was won by Chris Snow of San Diego Yacht Club in Bogus. Taking second was Pat Toole's 3 Big Dogs of Santa Barbara Yacht Club, while Deke Klatt of Ventura Yacht Club placed third in Jaded.

Dick Velthoen and Dave Boatner co-skipped the J-35, Rival, to a perfect 5-0 mark to win the five boat spinnaker class. Other winners were Robert Heatherly's Grace in the non-spinnaker class and Cody Schlub in Sasquatch in the Santana 20 class. Schlub also had a perfect 5-0 record for the weekend.

The J-24 class sailed six races, while the other classes sailed five. The first J-24 race, won by Tortoise, was tossed out by the race committee because of confusion about the course. The race marks were different colors than announced in the race instructions.

There were several general recalls for the highly aggressive J-24 class and funky sailing conditions, with dying, shifting winds. Snow won four of the five races. Boats in the J-24 class came from San Diego, Dana Point, Marina Del Rey and Santa Barbara.

Results:

J-24 class: 1-Bogus, Chris Snow, 8 (1-4-1-1-1); 2-3 Big Dogs, Pat Toole, 11 (3-2-2-2-2); 3-Jaded, Deke Klatt, 17 (4-1-3-3-6); 4-Svenja, Leonard-Count-Zimmerman, 21 (2-3-5-7-4); 5- Tortoise, Garrett Baum, 29 (6-8-4-4-7); 6-Critter, James Baurley, 30 (7-6-7-5-5); 7-Take Five, Susan Taylor, 32 (5-10-6-8-3); 8-Bullet, Thomas Tunberg, 37 (9-5-8-6-9); 9--About Time, John Ciancirulo & Patrick Kincade, 44 (10-7-9-10-8); 10-Rhinestone Shades, Ed Kooij, 56 (8-11-12-12-13); 11-Abracadabra, Doug Daws & Dan Chepley, 58 (13-13-10-9-13); 12-Radio Flyer, Carlos Brea, 59 (11-9-13-13-13); 13-Blue J, Cecile Schwedes, 59 (12-12-11-11-13).

PHRF spinnaker class: 1-Rival, Dick Velthoen & Dave Boatner, 5 (1-1-1-1-1); 2-Majic Dragon, Mike Hopper, 11 (2-2-3-2-2); 3-Blue Pacific, Harry Krum & Scott Junge, 17 (4-3-2-3-5); 4- True Blue, Tim Droney, 19 (3-5-4-4-3); 5-Quiet Times, Tom Warshauer, 23 (5-4-5-5-4).

PHRF non-spinnaker: 1-Grace, Robert Heatherly, 6 (2-1-1-1-1); 2-Velero, Brent Swanson, 12 (3-2-2-3-2); 3-Out Patient, Randy Alcorn, 16 (4-4-3-2-3); 4-Zoarcas, Shelly Johnson, 17 (1-3-4-4-5); 5-Argo, Cynthia Arosteguy, 24 (5-5-5-5-4).

Santana 20 class: 1-Sasquatch, Cody Schlub, 5(1-1-1-1-1); 2-Gremlin, Gene Beville & Harrison Cooper, 10 (2-2-2-2-2); 3-Heathen, Justin Turner & Mike Turner, 15 (3-3-3-3-3).

A seminar on the Racing Rules of Sailing will be held on Sunday, March 25, at 1:30 p.m. at Anacapa Yacht Club. The seminar will be co-hosted by the Channel Islands Women's Sailing Association and Anacapa Yacht Club. The seminar will be presented by Jim Mahaffey and Jerry Martin of the Southern California Yachting Association. Admission is free.

Anglers' Corner

WSB grow out pen update:

There is bad news and more bad news for the WSB pens.. We took delivery of 9500 fish by commercial boat August 30th 2011 and another 4500 by tank truck September 6th 2011. Since then we have had a series of losses through oil spills, a break in by a large sea lion and numerous raids by cormorants. Our major problem stems from the fact that the exterior "predator" net has a mesh size that is too big. The net lets the cormorants through to the interior containment nets and they then work on those nets until they can get through them as well. We also have one net position that is not in use and covered with bird netting that has been compromised. We have repaired the nets over and over. There is a line in the movie Jurassic Park that sums it up "nature will find a way"! That is particularly true with these hungry birds.

On Tuesday 2-21-12 Hubs Sea World Research Institute came up to the pens for a count and we found out that in pen #1 we had only 1322 out of the original 9500 and in pen #2 we only had 1169 fish out of the original 4500! We intend to release these fish about March 2nd on the evening outgoing tide.

I really appreciate all the help for the WSB team this last year especially Don Dickey and Ryan Gamble who dove the nets numerous times to repair and inspect them, wearing only light wetsuits in 54 degree waters. Also, thanks to the "Fish Daddies" who came every day to feed and check on the fish and Skip Miser who did lots of repairs many out of his own pocket.

On the positive side we expect another delivery sometime in April. Skip Miser is researching some alternate materials to secure the perimeter of the pens. HSWRI does not have the money to replace the predator nets, so we will have to find a solution for that issue as well. If you have an idea please let us know.

2012 BRISTOL BOAT COMPETITION

The 2012 Bristol Board Awards are just around the corner! April 1, 2012. . . no kidding!

CIYC will be presenting the **Bristol Boat Awards to four (4) classes of boats on Opening Day, April 1 , 2012**. Yes, this is April Fool's Day, but the competition is no joke!

The categories are:

Sailboats

Over 34' Length

Under 34' Length

Powerboats

Over 34' Length

Under 34' Length

This competition gives each boat or yacht owner the opportunity to bring his or her vessel up to Coast Guard safety standards, as well as prepare the boat for fun, enjoyment, and sailing throughout the year. Also, the polish and shine of the paint and bright work is important, too.

Any prior Bristol Boat competition winner is also eligible. Maintaining your boat is an ongoing process and owners should be recognized for their efforts.

This year the inspections for the Competition will be on two (2) different days to accommodate more participants. March 25, 2012 and March 31, 2012 will be the inspection days. In the past, we only had one day, the day before Opening Day, for inspections. This will give each owner more access to the competition.

You also earn extra points with the 2012 annual Coast Guard inspection sticker. Coast Guard inspections are free and can save a life! You can call for Coast Guard inspection through the Club.

Please sign up for the Bristol Boat Competition in the Cruiser sign up book at the CIYC bar. Be sure to include your contact information and your boat size and description. We will also need the location so we can find it.

We need as many boats as possible for this event. The more the merrier.

A TALE OF THE WHALE

Mark Your Calendars--March 25, 2012

For those of you who have been around for a while, this truly is old news. For those who have not yet experienced this traditional day of merriment (on the sea and back at the Clubhouse), I guarantee you won't want to miss it. PLEASE READ ON!

Hooray!! It's that time of year again! Time to get your boats, your crew and your guests ready for this outstanding March water event—also known as the **Whale Watching Cruise** in which lots of exuberant CIYC members take their boats out in hopes of enjoying sunshine, calm seas, and a whale spotting or two. Dolphins are known to be a part of this annual event and are always a welcome sight—especially if there are no whales to be seen. Interested? Well, here's my story:

All boats will rendezvous around GINA at 10:00 a.m. (Attn: skippers-- please make your own arrangements with your crew and guests re: boarding your boat.) We'll all go slowly (some more slowly than others) and try to spot a whale while monitoring Channel 71. While you're out looking around, think of a story, or poem or song (let's be honest here--fact or fiction) that you would like to share with the group at the Club following the ocean outing. Any questions so far?!

After seeing all the whales we can handle (one would be great), we'll meet back at the Clubhouse at **4:30 p.m.** That will give everybody a chance to put their boats away. We'll begin our **contest sharply (?) at 5:00 p.m.** and Commodore Jerry Wood, Vice Commodore Phil Woolf and Rear Commodore Jane Thomas will be our distinguished judges. They will cast their votes for the best story, poem, song or whatever. We have no intention of leaving out those who didn't go to sea. A Deed of Gift will be posted on the entry way bulletin board for those wishing to study the rules, but keep in mind that for the most part there are no stinkin' rules. Fun is the key element. And if you and/or your team are the winners, just imagine the thrill of having your name(s) engraved on the Moby Dick Trophy. Now that's something to write home about!

As in the past, we'll be serving **complimentary HOMEMADE SOFT TACOS, REFRIED BEANS AND MY CHOCOLATE CHIP COOKIES** immediately following the trophy presentation. Everyone is welcome.

So right now—while you're still reading this article—**walk to your calendar and mark the date—March 25.**

We'll look forward to seeing AND hearing from you then! Also, this is a great opportunity to take advantage of our Club's Buddy Boating Sign-up Sheet located in the Cruising Book in the bar. Those skippers who would like to take other members and guests, please be sure to put your name on the list. And those members who would like a ride, be sure to check it out. If, by any chance, the small-craft warning flag is flying, the cruise will be officially cancelled as a club event. We'll still meet in the bar to tell stories of what might have been! Let's hope for smooth seas and sunshine!

**Ruth Hatcher, Whale Watching
Cruise Chairperson**

Join us for an
Indian Epicurean Adventure!
Saturday, March 24, 7:00 pm at CIYC

Nowhere else on Earth does humanity present itself in such dizzying, creative bursts of cultures and religions, races and tongues, as in India. Teeming with over a billion people who speak fifteen hundred different languages, India is where people live with variety, and thrive on diversity. This is especially true of its cuisine, which consists of innumerable regional specialties dating back thousands of years.

Your Epicurean chef, LeeAnne Clark, has created a menu for CIYC to allow you to experience the rich flavors of the Subcontinent, reflecting some of the more widely-known Indian fare, as well as more obscure regional specialties. Together they will titillate your taste buds, and inspire your creative juices. The menu includes:

Chicken Tikka Masala: A curry dish of marinated, grilled chicken in a spiced, creamy, bright-orange sauce. Chicken Tikka Masala is the most popular dish in Indian restaurants throughout Britain. Served with Basmati rice.

Spinach Dahl (Lentils): Dahl is a staple food across India, with each region developing its signature style. This version includes lentils, spinach, onion and tomato in a mild but flavorful sauce laced with coconut milk.

Maharani Cupcakes: Named for a queen in India, these coconut cupcakes with mild curry-lemon curd and a sweet basil cream topping are copiously unique, but unbelievably harmonious.
