Disabled Veterans Sail Day

Sunday, July 26, 2015

On June 22nd please join us and be a part of the First Annual Channel Islands Yacht Club Disabled Veterans Sail Day. We plan on taking disabled veterans from all over SoCal on an afternoon sail, then head back to the club for food, drinks and giveaways. Please come and enjoy a day of sailing the Santa Barbara Channel. This is our way of saying "thank you" for your service to our great country.

Sail Day Event Details

10:00-11:00 hrs: Check in at the Channel Islands Yacht Club 4100 Harbor Blvd., Channel Islands Harbor, Oxnard. Light breakfast will be served for all attendees.

11:00-12:00 hrs: Sailboats take on passengers

12:00-15:00 hrs: Sailing on the channel

15:00hrs: Gather back at the CIYC Clubhouse for food, drinks and giveaways.

There will be no charge of any kind to our attending veterans and their families.

Reservations are required.

Due to the growing number of attendees we are limiting our party sizes to 4 persons, 1 Vet and 3 guests. Larger parties WILL be split up during the boating part of the day. Please no children under 8 years old. If children attend please try to have an appropriate life jacket.

Please RSVP no later than July 10, 2015 to ensure placement on one of the Channel Islands Yacht Club participating host boats.

Message From The Commodore Dave Wardlow

I wish each and every one of you a great 4th of July weekend! We will have had our June General Meeting by

the time you read this article. It is already time to ask our membership, “who is willing to become a Board member for 2016?” As stated in our Bylaws, Section 4.02, Election and Term of Office, there will be five openings, as this is an odd numbered election year. A Nominating Committee (“NC”) will be put in place, consisting of: (1) two Board members chosen by the Commodore; and (2) three Regular Members, who will be elected by the Members. The Nominating Committee’s task will be to contact each Regular Member to ask if they are willing to step up and stand as a candidate for the Board. I believe that with the efforts set forth by this Board and the reinstatement of process and procedures, it will be much easier for those individuals to take their positions and keep the Club on an even keel. Almost every bit of the Club’s infrastructure has been examined and put in good order so there is transparency. This will make navigating through the Club’s working procedures easier for the incoming Board members, Secretary and Treasurer.

Let me take a moment to share my past Club experiences through the present. I joined CIYC in March of 2010. Rear Commodore Connie Calo was visiting some friends at the boat next to mine and she invited me to an Open House at CIYC. She introduced me to Commodore Mary Foster. I saw the facilities and was informed about membership and the Club’s various activities. I joined as a Marlin to “test the waters.” The Club seemed like a fun place with a good vibe and good chemistry among the members.

Ed Calo became my mentor. He showed me the ropes. I cooked with him on Wednesday night dinners. Since I would prefer being in the middle of a herd of horses, being around this many people felt a little intimidating. While we were staring into the Club from the balcony, Eddie told me, “Dave, you don’t have to be friends with all these people, you just need to earn their respect.”

Over time, Eddie would ask me to become more involved at a higher level, but I would tell him I was just here to get out of the weather and have a drink once in a while. Eddie found out he had a brain tumor and had surgery and struggled with his recovery. We ended up having a live wake before he passed. While sitting by the fireplace that night, Eddie nudged me and said, “Are you going to do that thing I asked you to do.” I told him I would. He told me I would know the right time. After that, I did not think much about it. I took a little time away from the Club tending to things on my ranch and started coming back in mid-July 2012. I sensed a change – the vibe was not the same. Commodore Cary Verstynen retired early and Jerry Wood stepped in. I was later asked if I would consider running for the Board. After interviewing with the NC, I agreed. The NC members were Dave Gabel, Keith Moore, and Paul Hatcher. While the NC informed me I would have to campaign, I really had no intention of campaigning. I believed I would stand on my name, see what people thought of me and what they knew about me. I was voted in as Director for the 2013 Board.

In 2013, Tom Warden became Commodore, Keith Moore became Vice Commodore, and Jane Thomas became Rear Commodore. I listened and learned how the Club was managed by the Board for the first three quarters and developed a personal opinion of what I was seeing. When it became time to elect the new 2014 Bridge, I decided I was qualified for the position of Vice Commodore and decided to run in order to keep our goals true to the Club’s objectives. And here I am - Commodore in 2015! We are moving forward with your support – on track and starting to enjoy the fruits of our labors.

Hopefully, sharing my experience will inspire many of you to become more involved in the Club and answer a few questions for you. Being on the Board is worthwhile and can be fun. Please consider putting your name into consideration for a position on the Board. We are all in this together!

**Thank you,
Dave Wardlow**

Message From The Vice-Commodore Vidar Bech

Water and freezer problems

Marnie and I missed the June 2nd British Brass Concert because we went RV Camping at Lake Cachuma just north of Santa Barbara with some previous members of our club, Dave and Patsy Andersen. We had a good time but it was difficult NOT to notice how low the water level was. According to a State Guard, water level is 75' below high-level mark.

We are noticing a change in our water quality here at our club; it has a lot more sediment in it. Our dishwasher and the Bartenders have a hard time keeping glasses spot free; we were forced to reinstall a Water softening filter system that will cost us over \$700 a year. Hopefully, that will solve our problem.

You may have noticed that we have NOT served ice cream for dessert for a few weeks. That is because our Freezer went south to a warmer climate. It ended up needing a new compressor, then some other parts, but it should be up and running by the time you read this. Luckily, the parts are still under warranty.

Dinners and Dinghy Party

On June 6, **Karen Farrell** and the Epicureans made a fabulous dinner. The attendance was a sell-out, about 70 members and guests. The **Purple Heart** goes to **Debi Howarth** who bumped her head into the New TV while serving. I have since put some padding on the corners. We also had a Handicap Lift collection during dinner and collected over \$370. After dinner **Carol Bartlett** and **Bob Taylor** gave us a lesson in Western style line dancing. It sure was a lot of fun. A lot of members participated and did great, they even ended up in the same direction almost all the time.

Big Thanks to the Wednesday dinners/cooks: **Cary Verstynen** is back from his winter hiatus and started the month off; **Karen Farrell** and **Mamie** continued the following week; **Lori Robinson** and **Duane Wherland** did the 17th; **Ginny Matthews** is doing one on the 24th. Great job everybody!! Looking forward to **Fathers' Day Dinner** by the Islanders. **Barbara Brauns** and **Michelle Smith** are putting on a special **Rat Pack** show; sounds like a lot of fun.

Gary and Joyce Johnson are starting the dinghy party season on June 27 and our **CIYC Band** will entertain. A guaranteed success. The Price's will let us use their beautiful home again.

Till next time,

Message From The Rear-Commodore Jim Lovins

The summer racing season is in full swing. Each race that CIYC RAMS have participated in has placed in the top 3.

May 16 – PBYC/SBSC Hardway Race (10 hr. race around Anacapa Island which was the easy way, around Santa Cruz was the hard way)

2nd Place in Spin B (Bill Brayton and Cindy Arosteguy)

Velero (Brent Swanson) participated but decided to head back to CI due to no wind

May 23 – 25 Memorial Weekend All Club Cruise to Prisoners

Cruisers were blown out of Prisoners and ended up in Yellowbanks. Mike and Donna McKendry hosted CIYC (Maverick), AYC and PBYC boats for a social hour on Paradise. We now know how many commodores that can fit on a 38 foot Catalina sailboat. Gary and Joyce Johnson rested on Joysea after attempting to rescue a boat that sunk in Blue Banks. Bill and Cindy were relaxing on Maverick and heard the mayday call. About 10 minutes later we heard Gary on the radio saying it was too late. The fishing boat was probably already at the bottom in over 100 ft. of water.

May 30 – Wild Bill Rig Race

Race Committee: PRO Bill Brayton, Cindy Arosteguy, Olga Siefke, Ginny Matthews, Max Hovaten and Frank Sullivan at the helm of Valkyrie

3rd place in Spin B Wailani (Jane Thomas, Janie Brockman and Bonnie Chaney)

2nd place in Spin A Troublemaker (Roxanne Vettese, Steve Aronson)

3rd place in Spin A Fusee (Harry Krum, Dave & Sondra Lochridge, Mary Howard, Curt Ingram & Mike Turner)

May 31 – VYC Commodores Classic Race

2nd place in Spin A Predator AYC/CIYC boat, Tom Warden

3rd place in Spin B Maverick, Bill Brayton and Cindy Arosteguy

Sunday July 26th – Disabled Veterans Sail Day

This is a big event for CIYC. We are expecting up to 200 veterans plus additional family members. At the present the committee is looking for sail or power boats to volunteer for this event. Contact Bill Brayton for additional information.

Sailing News:

- **July 3 to 5th** July 4th holiday cruise to Coches Prietos on Santa Cruz Island
- **July 11-12** Milt Ingram
- **July 17-19** Santa Cruz 27 Nationals
- **July 18** Dinghies & Double Handed Race 8
- **July 18-19** Sail Fest (J/24 & PHRF)
- **July 18-19** Fiesta Cup (J/105, J/70, M24, SC27 H2O, Viper)
- **July 24-25** Santa Barbara to King Harbor
- **July 25** McNish Classic Yacht Race
- **July 26** CHRF Summer #3
- **July 31** CFJ Nationals

Anglers' Corner - July 2015

By Frank Sullivan

Fishing Report:

The Men's Fishing tournament was a great success. We had 24 men anglers (many new members) competing on 5 boats. The boats were ***Dawn Patrol*** (Skip Miser), ***Joy Sea*** (Gary Johnson), ***Valkyrie*** (Frank Sullivan), ***Nepenthe*** (Mark Palamountain), and a new member ***Abundance*** (Ron Hockman). The big White Sea Bass still did not show up, but all the boats had respectable catches with 1st place taken by **Bob Waldo** on the ***Dawn Patrol*** with a 24lb. Yellow Tail, 2nd place was won by **Cooper Palamountain** (Mark's young son) on ***Nepenthe*** with a 6lb. Sheephead and 3rd taken by **Dave Erickson** on ***Dawn Patrol*** with a 5-8lb Barracuda.

1st place taken by **Bob Waldo**

2nd place was won by **Cooper Palamountain**

2015 Men's Tourney winners,
Bob Waldo, Cooper Palamountain and Dave Erickson

The Big Fish of the month for May was a 9.14lb. Ling Cod caught by Bob Nast

WSB grow out pen update:

As I prepare this report, we have readied the grow-out pens; for the next group of juvenile White Sea Bass to be delivered about the 3rd or 4th week of June. I attended a meeting at the hatchery in Carlsbad and saw the fish that had just been tagged for us; they intend to deliver about 34,500 fish. They look very healthy. Our facility was recognized as the most productive of the facilities in the system. We produce almost 3 times as many fish as any other facility.

With the cooperation of the Channel Islands Harbor department, a generous donation of 2 floating docks from Vintage Marina Partners and free launch fro “Boat Yard” we have added a storage platform to the grow-out pen facility. This was necessary because we are going to lose the storage facility on the shore when it is rehabilitated as a bathroom for the commercial dock tenants. We will still be working on building secure sheds and fencing for the platform.

If anyone has some old large boat fenders we can use for the facility, it would be appreciated.

Upcoming events:

September 11th	Channel Islands Bill Fish Tourney Kickoff Dinner
September 12th to 16th	Channel Islands Bill Fish Tournament
September 18th	Channel Islands Bill Fish Tourney Awards Dinner
November 21st	Anglers' Awards Scampi Dinner

TABLETALK.....

First, I would like to welcome all new members to CIYC! You have joined what we like to refer to as “the friendliest yacht club on the coast”! I also want to thank all the new members (and not so new members) who come to help set tables on Saturday mornings. Thanks to our “Lamplighters” too. This is a long-standing tradition at CIYC and I certainly welcome the help!!

We have no specific “rules” regarding “Table Etiquette”, but here are a few things I have observed over the years. If you have suggestions to enhance “our full and fun evenings” please contact me.

First and foremost, we are a self -help club. This means we must clean up after ourselves. After dinner, scrape and put your dishes and silverware in the center storage room. Put all napkins and tablecloths in the hampers next to the sink in the kitchen. Put all salt and pepper shakers in the cabinet under the microwave in the kitchen. Take all bar glasses back to the bar. Usually, centerpieces can be put on the shelf in front of the steam tables or left on the tables. This also goes for candles, too. If you see a table still set, please help out and clear it. We do get guests who may not know what to do.

Please, please, please make reservations for Saturday night dinners by Thursday evening. We try hard not to waste food, and the folks cooking **must** know how much to buy. Make sure you only make one reservation, no double booking. If you are unsure, call and talk to the office staff. They will check for you. Call and cancel if you must, but don’t wait until the last minute. Sometimes we have waiting lists.

Please write/print clearly in the sign up book. This also avoids double booking. **Cooking crew:** do not sign up in the book. The head chef should add the cooking crew to whatever tally is in the book for their cooking count.

If you want to “reserve space”, here is a suggestion. E-mail the reservation desk and let us know who will be sitting at your table, each by name. We usually set tables for 8 or 10 depending upon how many folks have signed up. If you have 6 people, the table-setters will put a card at each seat with a name on it. We have found that this is better than reserving a table because 2 spaces could remain empty while some folks will be looking for a place to sit! Besides, it is a great way to make a new friend. We try very hard to set enough places according to the count in the sign-up book.

Again, thank-you all for helping. The more the merrier on Saturday mornings; and the more there, the quicker we get done! If you have any suggestions, e-mail me (sharon.sullivan@roadrunner.com) or call me at (805) 985-6155.

Suggestions on themes for the tables are always welcome, too!

Sharon Sullivan

Message From First Mate Pam Nast

Dear Channel Islanders ...

Last month (June) during our Islanders Board Meeting we discussed, once again, the idea of putting together an Islanders/Epicureans/General Membership Cook Book. We are confident that everyone has at least one great recipe to contribute. We are not begging for family secrets ... although receiving your family recipes would be fabulous! So ... if you have favorite recipes to share ... please send them to Eleanor Horvaten (Eleanor@engsrv.com) or snail mail them to The Islanders c/o CIYC. Your contributions will be greatly appreciated!

Our next Islanders General Meeting is scheduled for July 15th, 2015 ... but that date is subject to change; and as soon as possible, you will be informed of the exact date, time and location of the meeting. We are hoping to have a fun happy-hour style party at Waterside with drinks and hors d'oeuvres so *PLEASE* let us know if that idea is of interest to you!

Many of you are aware of the Disabled Veterans Sail Day scheduled for July 26th, 2015. The Channel Islanders have traditionally helped with set up, food service and clean up for this wonderful event. Please contact me (ciyc.pam@hotmail.com) or Olga (onecontesa@sbcglobal.net) if you are available to assist this year. We look forward to another exemplary event for the vets.

Most of us have children, grandchildren, nieces/nephews who will be living long after we are gone ... it is important that we leave a sustainable planet to ensure their future ... some good web sites for sustainable living tips and information are:

Global Stewards (www.globalstewards.org/ecotips.htm) and
EPA Climate Change Site (<http://epa.gov/climatechange/wycd/>) and
A Sustainable Future (<http://asustainablefuture.org/about-asf/>)

Understand the global economy in terms of people, land and water ... Judge governance by how well it meets *all* people's needs.

Pam Nast
2015 First Mate

Message From Fleet Surgeon James “Jim” Lee

The ABC's of Diabetes

A1c is a test that measures your average blood glucose during the past 2 or 3 months. A1c can be measured from a blood sample. The more glucose in your blood, the higher the A1c percentage. Your target A1c level should be 7% or less.

Reducing your A1c by just 1% reduces your risk of diabetes complications.

Blood Pressure – High blood pressure also known, as hypertension is common among with individuals with diabetes. You can help lower your blood pressure by maintain healthy weight, exercise, and limiting the use of salt.

The American Diabetes Association recommends maintaining a blood pressure goal under 130/80.

Cholesterol – Keeping cholesterol levels within a normal range will help protect your heart and blood vessels from damage. The American Diabetes Association recommends a goal of LDL cholesterol less than 100mg. But always check with your doctor, as there are many more cholesterol tests.

Diet – Eating well-balanced meals will help you maintain a healthy weight and manage your glucose levels. Check with your doctor first before you create a meal plan that will suit your needs.

Eyes – Uncontrolled diabetes can damage the blood vessels in your eyes. Diabetic eye disease can lead to vision loss and even blindness.

Diabetic eye disease may include cataracts and glaucoma.

Feet – People with diabetes need to be especially careful about foot care. Diabetes can lead to poor blood circulation in the legs and feet and reduce the ability to fight infection. The severity of poor foot circulation can lead to amputation, if not carefully monitored.

Glucose Monitoring – The best way to control diabetes is to make sure your blood glucose levels are within normal levels. This will keep you healthy and make you feel better. Keeping your glucose level within a normal range also reduces the risk of complications.

A diabetic person should check their glucose levels before and after meals and before going to sleep.

This article is for informational purposes only. It is in no way meant to diagnose or treat diabetes.

With any disease, you should always check with your doctor before beginning or changing any treatment plan.

CIYC Members at Work:

Last Sunday, CIYC member **Captain Eric Ireland** invited me to join him at the **Port Hueneme Harbor**. Eric is a U.S. Merchant Marine with a Masters License - Pilot Endorsement -1998.

Eric's job is to bring the large ocean going ships into **Port Hueneme Harbor**, known for being the deepest harbor on the West Coast. Every day, one or two vessels enter the harbor to unload cars from Korea and Japan, bananas from South America and many products from countries around the world.

I met Eric at the Port gate, signed in and was escorted to the two large BRUSCO Tugs. These special built tugs cost \$5 million each. They feature two 4000 HP diesel engines that drive a large shrouded prop. The prop can rotate 360 degrees giving the tug super maneuverability needed to nudge the ships into their harbor berth.

The tugs meet the ship about 2 miles out from the harbor. The first tug connects a line to the rear of the ship. The second tug comes along side so Eric can climb aboard.

Here is Eric going to work!

He then climbs to the bridge. When he takes control, they fly the American flag, and he brings the ship into the harbor entrance. The second tug positions itself at the front of the ship, and while backing up, connects a line to the front of the ship. After entering the harbor, the tugs do a very gentle "dance" to turn the ship around and nudge it to the dock. This ship (72,295 Ton & 750 feet long) carried 7500 cars, trucks and large farm equipment. I understand it was unloaded in about 5 hours.

So next time you see Captain Eric, say hello and ask "What did you do today?"

I enjoyed the ride with tug Captain Mike Fullilove and hearing his stories.

Again, many thanks Eric, for a great ride and such an interesting day.

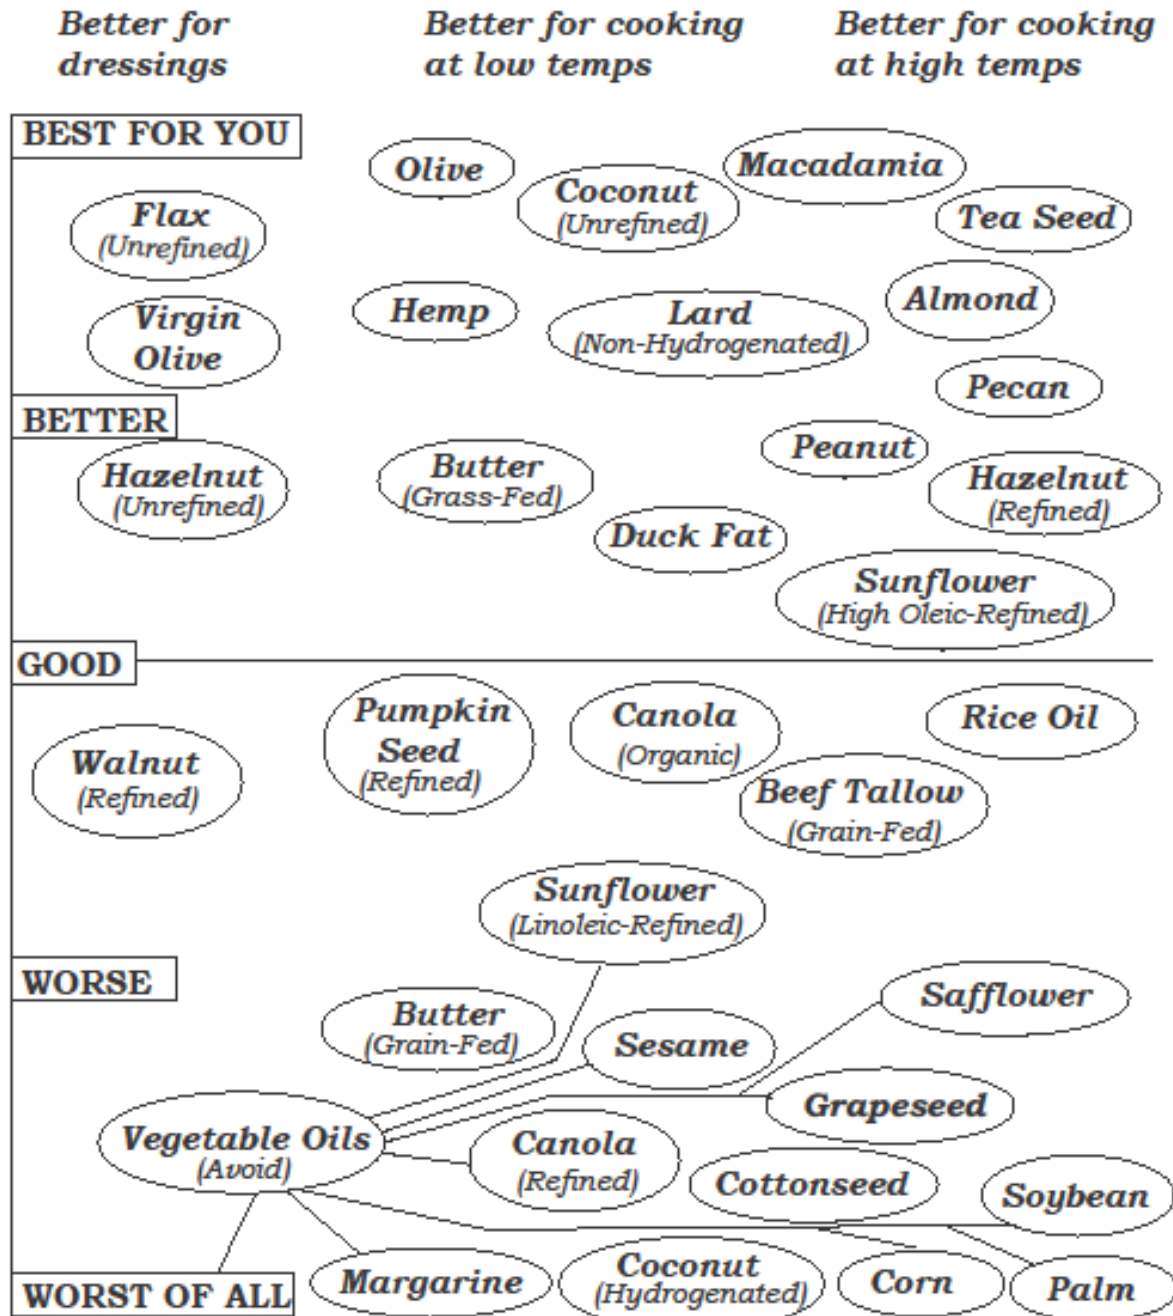

See You On Deck –

Keith Moore,
CIYC Staff Commodore

OILS: The Good, the Bad, and the Ugly

Zoran

Thanks to Erika for editing.

Thank you, one and all!

The Third Classical Guitar Recital on Tuesday, May 26th, was a great success thanks to all of you who attended. We had a wonderful turn-out of 120 people who enjoyed the wonderful music of James Bishop-Edwards and Roma Sprung, guitarists, and Suzanne Duffy, flutist. It was interesting to hear James play pieces from the most beautiful romantic era on three priceless guitars dating from the early 1800's.

Your enthusiastic applause and generous donations rewarded our outstanding musicians. They said they'd come back to us again. Thank you, Ruth, Vidar, Marnie, Frank, Sharon, Willie, and Jim for your help! Thank you, Cecily, for once again expertly tending the bar for the recitals.

Thank you, sponsors (you know who you are) and donors!

Erika and Zoran
