Ahoy, CIYC Members! Here is a little history I wanted to share!

When mariners started crossing the oceans, flags were an important communications tool between ships when at sea and even ashore. Lives depended on correct interpretation of their meaning, especially on fighting ships. Today, proper use of flags is not just a way to identify vessels and boating organizations, but to give important instructions, make announcements, warn of approaching storms, and mostly to honor and keep alive the naval traditions and seamanship spirit of those sailors who preceded us.

Flags have different shapes and colors, depending on their function. A pennant is a flag that is larger at the hoist than at the fly and can be triangular, tapering or swallow-tailed. A burgee is a pennant that identifies a recreational boating organization.

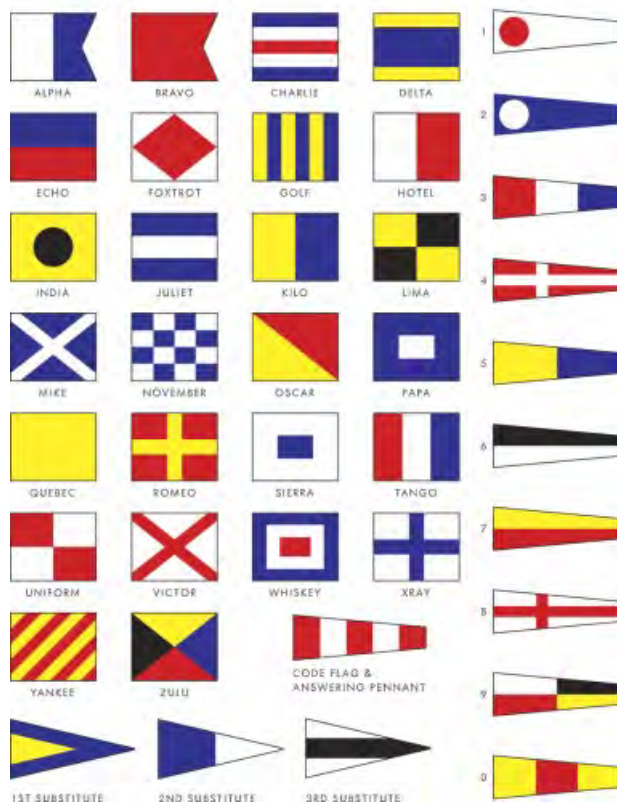

I look forward to seeing you all around the club!

Ahoy, Shipmates!

We had a busy July, beginning with an amazing 4th of July electric boat parade spearheaded by **Frank and Gayle Laza**. This was the best in recent memory and concluded with a great BBQ, live music, and the return of our hometown fireworks. What a day and night! Thank you to all who helped and attended.

The 17th annual **John Larson Memorial Race** was sailed by 7 boats representing CIYC, AYC and VSC. The winners are... in Spinnaker Class, 1st Cirrus, **Larry Listing/Bill Wood**; 2nd So Long, **Chris Hancock**; and 3rd Risa, **Roxanne Vettese**. In Non-Spinnaker Class, 1st She Said No, **Ron Dietel**; 2nd Eau Claire, **Rick Tyhurst** and **Yours Truly**. FYI, 2nd in this class is last place! Realizing my name is not on Dad's trophy, next year I may need to remove all creature comforts from the boat, (never happen!) or sail on another boat! A big thank you to **Kat Sotiridy**, **Sue Woolf**, and **Jimmy Fillo** for your help in the Galley and on the BBQ.

Twelve sleepy-eyed ladies ventured out for the Ladies' Fishing Tournament on Dawn Patrol and Valkyrie. Thank you so much, Birthday Boy, **Skip Miser**, and **Rande Lance** for being our Skippers. Our 1st, 2nd, and 3rd place winners are **Janie Brockman**, **Wailani O'Herlihy**, and **Joyce Sheridan**, respectively. Congrats!

Our own **Burt Stillar** has created a new event for CIYC: the (free) Saturday Evening Dinner Cruise. This is a great opportunity to get out on the water with old and new friends for a short pre-dinner cocktail cruise. Boats depart at 4:30 P.M. from gate 10 B dock @ CIYC. The August sail dates are 8/5 & 8/19. Please sign up with Burt at (818)203-5739 or burtstillar@gmail.com.

August 12th - CIYC will share in hosting the 2nd annual Adventure Sail Day brought to us by **Jane Thomas** and **CIWSA**. This is an extremely special, heartwarming and life-changing event for young girls. Please see **Jane's** article (page 6) for more information and opportunities to get involved.

Get out your flip-flops and look out for those pop-tops. We're going to Margaritaville! Our second **Dinghy Party** of the year will be held at the beautiful home of **Beverly Richardson** on the main channel, August 20th. As was the case for our 1st dinghy party, these sell out quickly and are prepaid. Please sign up with **Deborah Tyhurst** tyhurst@vcnet.com, (805) 402-2027 or **Joyce Sheridan** twinjoyce@aol.com, (805) 718-1022. Please see the flyer on page 14 for more information.

Summer is upon us with Oxnard finally reaching 70° and sunny!

As of this writing, Sophia and I are halfway through our summer vacation in France and England. We are having a great time exploring and experiencing European culture and history. Thank you to Shana Whitmore for holding down dinners and a few other things in my absence.

July was filled with great membership participation, including the 4th of July BBQ led by Eileen and Marc Gault and with live music by Lil Bit of Everything. Dodie continues to make Birthday Bash a hit! The June Bash featured Greek night and interactive games! The Channel Islanders' KISS Brunch was wonderful as always. The Nolan Sisters served up a great Wed. dinner followed by Linda Greenup leading us in a dice game of Left Center Right. For 3 bucks and no talent, you can win big! We'll do that again! The Beefeaters had live music to bring joy to the soul and a great dinner to bring happiness to the belly. The Epicureans mixed it up with a Who-Dun-It interactive Murder Mystery Dinner! Cary Verstynen and crew served up another great Wed. dinner. The Variety Show sold out but has been cancelled. Many of our events sell out early. Please make sure to get your reservations in early so our chefs can best prepare.

A special thank you to all our chefs, crews, and members behind the scenes who set tables and decorate to make these events unique and enjoyable!

Looking forward into August, we're recruiting Wednesday night chefs and crews (8/2, 8/9, 8/16/ 8/23, 8/30). There are a lot of Wednesdays this month! If you've never cooked before, we invite you to cook alongside experienced chefs to become more familiar with the kitchen. It's a fun way to meet other members and you don't need to be a Michelin chef to contribute to a great meal! Contact Rocky at rocky.ciyc@gmail.com or text 805-220-8291.

We have a strong August lineup of in-house events:

Aug 4th Birthday Bash, Hawaiian theme

Aug 5th Beefeater Dinner

Aug 13th Open House – we're looking at bringing in live entertainment to provide potential members a real CIYC experience, so bring your friends and neighbors!

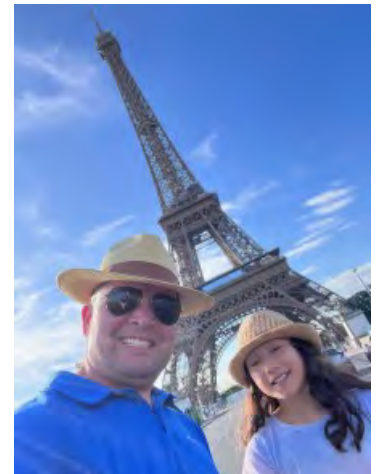

Aug 18th TGIF Fish Fry with Horse Racing

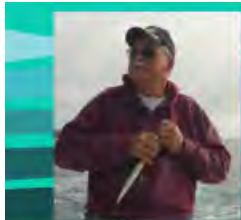

Aug 26th Epicurean Dinner

Aug 27th Reel Guppies Fundraiser

I appreciate your feedback and if anyone has ideas for in-house events, games or entertainment, please share with me!

On August 27th the CIYC Anglers Club and I.O.B.G. (International Order of the Blue Gavel - past commodores from local yacht clubs) are supporting the **Reel Guppies Outdoors Fundraiser**. This is a charitable non-profit which helps families engage in outdoor activities. "Our program is instilling an appreciation for natural resources across the country and spawning the next generation of sport fishing and outdoor enthusiasts. Participating youth experience everything hands-on, constantly engaged no matter how the fish are biting that day. Parents are equipped with fishing know-how so they can confidently take their family to 'catch a memory' together outside of the fishing trips we coordinate and supervise." See the larger flyer page 12.. There will be music, food auctions, and drawings.

RAMs and Racing Report, August 2023

On Saturday, July 8, VC Deborah (Larson) Tyhurst hosted the John Larson Memorial Race in honor of her father, John Larson, who loved sailing, rum, and Ruth Hatcher's chocolate chip cookies! Thankfully, Ruthie gave her cookie recipe to Deborah, and the racing skippers and crew enjoyed all of John's favorites! Seven boats entered – 2 non-spinnaker and 5 spinnaker class – for the reverse-start race over a 12.8nm course. In non-spin SHE SAID NO (Precision 16, Ron Dietel, VSC) took 1st place, and EAU CLAIRE (Beneteau Oceanis 440, Rick and Deborah Tyhurst, CIYC) took 2nd. In the spinnaker fleet CIRRU (J/124, Bill Wood, Larry Listing, AYC) took 1st place, continuing their winning streak, and SO LONG (Ranger 26, Chris Hancock, VSC) took 2nd place single-handedly! CIYC boats took 3rd through 5th places: RISA (Catalina 38, Roxanne Vettese), RAMPANT 2 (Cal 9.2, Eric Taylor), and SWIFT (Hunter Legend 40.5, Jimmy Jewell), respectively.

Ventura Yacht Club hosted J/Fest the following weekend, July 15-16. The regatta was a qualifying race for boats hoping to be invited to the J/24 Nationals, and 15 boats participated. CIYC J/24 entries, TORTOISE (Shaun Plomteaux) and JEDI (Dan Maxwell/Gareth Jones), took 9th and 12th positions, respectively, after 8 races. Among the 7 entries in the J/70 regatta DJ (Ryan Cox, VYC) took 1st place.

The standard course for PBYC's Milt Ingram race is 42nm, but this year the forecast for July 22 was light and the Race Committee reduced the distance to 20nm. VELERO (Islander 29, Brent Swanson) was the only CIYC entry.

Yet to come in July are the Santa Barbara to King Harbor Race (July 28, 80nm) and PCYC's McNish Wooden Classic Yacht Race (July 29, 17nm). The wooden classics from far and wide have already started arriving in Channel Islands Harbor.

Congratulations to Mike Geer who moved up from his J/24 BANDALOOOP to a Hobie 33 (OMG)!

On Wet Wednesdays there's now more competition for the A Fleet, and BANDALOOOP is still raced in B Fleet – now by Fairwind YC members!

Happy Sailing!

Creating A New Fun Park for Families and Kids To Enjoy at the Harbor

Making the harbor a more entertaining and fun place for families is key to revitalizing Channel Islands Harbor. Harbor Director Michael Tripp, working with a local experienced design team, has an exciting, visitor-friendly plan for Channel View Park (see photos). Their idea is to create a place where children can safely play while parents sit and enjoy a café latte from Honey Cup or take the kids for ice cream, a snack, or lunch at one of the harbor restaurants after they play.

Having more activity centers in the harbor benefits not only visitors but also harbor businesses and neighboring communities. It offers another reason for people to come to the harbor.

Personally, I am very excited about this plan. It is the first time that I can remember that the Harbor Department is actually doing something to create a real park playground with equipment, benches, and tables for families to use and enjoy. I hope the community expresses appreciation to the Harbor Director for another effort the Harbor Department is making to revitalize the harbor and its visitor-serving needs.

Oxnard Receives State Funding for Channel Islands Harbor Water Quality

Mayor John Zaragoza announced that the City of Oxnard will receive \$16.5 million in funding “to build and repair essential infrastructure that prioritizes the safety and well-being of our community.” The Mayor credits the support of Assemblymember Steve Bennett, Assembly member Jacqui Irwin, and Senator Monique Limon for helping to secure the funds. Allocation of the funds includes \$500,000 for evaluating the feasibility of multiple water quality- and habitat-benefiting solutions in Channel Islands Harbor.

CIYC's Generosity Delivers 4,424 Meals To Those In Need

CIYC's July Food Share Drive raised \$1,474.50 and we also collected a large box loaded with food items.

Thank you to those who gave so generously; you helped many families this summer.

Rene Aiu, Harbor Delegate

Hello, Everyone!

First and foremost, I sincerely thank the people who worked to make the Channel Islanders' July KISS Brunch such a success:

Evelina and George Arglen and Roberta Castro for the Enchiladas; Becka's brother-in-law Chris for the Chicken Mole with rice; I did the egg casserole; Evelina picked up the Churros; I also had my son Brian frying the tortillas and doing our heavy lifting. As you can see, we had great eats and also a great time at the Keep It Simple Sunday Brunch.

Before we get Holiday Busy: Here's a heads up - our next brunch will be the Jingle Bell Brunch on **December 17th**, so mark your calendars for that. This one has no limit as to how many we serve and we usually fill up the dining room to capacity.

The next Islanders' meeting will be on **Tuesday, August 23rd**.

This will be a luncheon featuring a Selection of Quiches. Please watch your email for more information.

Mark your calendars, as the Islanders are going back to the **Santa Barbara Polo Club on Sunday, October 1st**. I am still lining up the bus so I can't give you an exact price yet. For all you new members: This is open to the whole club but we can only take 50 as that is all the 'tent' will hold. When I say tent, don't think in terms of a little pup tent. This is a polo grounds special 'tent' - a raised wooden floor with a roof, table, chairs, and sofas. Also a bar, bartenders, and waitstaff for ordering your drinks and food. Watch your email for further information.

MAINTENANCE AND REPAIRS-REFERRALS

Boats, like humans, need exercise, maintenance, and repairs.

I want to start an in-house referral program - whom do you use to fix your boat? Change the oil, etc.? I would like your feedback on companies and individuals that you've used to keep your boat running. If you have had extraordinary service, or disservice, let me know and we can propagate this information to the rest of our members.

Examples: Whom do you use for bottom cleaning? Boat wash/wax? Diesel and gas engine repairs, oil change and maintenance? Outboard engine repair and maintenance? Who maintains your generator? Electrical systems? Favorite sailmaker and rigger? Who makes your canvas, bimini and dodger? Besides West Marine, where else to buy radar, GPS, depth sounder/fish finders and electronics?

Some boat maintenance tips for monthly, annually, and beyond:

Monthly boat maintenance checklist

- Wash the exterior: Scrubbing your boat will keep salt and dirt at bay and extend your gelcoat's life.
- Clean the interior: Clean your boat's interior by wiping down surfaces and scrubbing the head.
- Check the bilges: Check out bilges regularly to ensure they're dry.
- Run the engines: If you haven't run your boat in a month, let the engines run for 30 minutes.
- Check the fluid: Check your engine oil, transmission oil, and coolant levels.
- Pump out your waste tank: Schedule a pump-out service or do it yourself at least once a month.
- Check your boat's hull: To keep your boat's hull clean, hire a diver to scrub your hull every quarter.

Annual boat maintenance checklist

- Wax the gelcoat: Giving your boat a thorough waxing once a year will help maintain its shiny exterior and protect it from the sunshine and salt.
- Wash and waterproof canvas: Give your Biminis and covers a good wash down and reapply any waterproofing solutions or sprays once a year.
- Change the fluids: Change the engine oils, engine oil filters, and fuel filters once a year or every 100 hours of engine runtime.
- Clean out water tanks: To keep your potable water storage nice and fresh, plan on cleaning the tank to kill off any mold or mildew that may have built up over the last year.
- Service waste treatment systems: Whether you use storage tanks or an onboard sanitation system, it's wise to have these systems looked at annually.
- Request a vessel safety check: The U.S. Coast Guard offers free vessel safety checks for all boat owners. Schedule an in-person inspection or follow the online guide to doing it yourself.

Our next scheduled cruise is going to be fun!

August 11 - 13: Cruise to SBYC. This will be a boats, trains and automobiles adventure.

I will be requesting reservations for slips in the harbor (I think we have to have at least 6 boats confirmed) and also dinner one night (Friday? Saturday?) at Santa Barbara Yacht Club. I'll take my boat up Thursday, August 10, so I can be there to help you find your slip.

For those who don't have a boat, drive up and meet us for the SBYC dinner.

A great way to travel to Santa Barbara is the local Amtrak, a spectacular ride up the coast. Take the train, have dinner, maybe if another cruiser has room on his or her boat, spend the night, then take the train home the next day. The train leaves from Oxnard and Ventura, stops in Santa Barbara on State Street - a short walk or Uber to the Harbor.

It is with great sadness that we let our CIYC family know that long-time member Ruth Hatcher peacefully passed away on 7/19/23.

Ruthie made us laugh until we cried over the silliest things, wrote us poems for our meetings for 20 years as Secretary, filled us with chocolate chip cookie love for decades, and so many other things that we will all share at her [Celebration of Life](#), scheduled for [Friday for August 25th](#).

Until then, please keep Ruthie's family and her dear husband Paul in your prayers.
