

YOHO...YOHO, A Pirate's life for us!

"Pirates of the Caribbean" Dinghy Party was a huge success!

A special thank you to our gracious hosts Jon and Tami Osborn for offering their "Mothership." Co-Captains Deborah Tyhurst and Joyce Sheridan sincerely thank our crew: John Canavan, Dodie Duffy, Michelle Dilldine, Nancy Forrester, Linda Weisfuss, Sue Woolf —and all you Scallywags who attended.

Ahoy, Everyone!

## HISTORY OF THE YACHT

BY:AMERICAN SAILING HISTORY

### When does a boat become a yacht?

One answer has always been: You can tell a yacht when you see one. But It really has nothing to do with size of the boat, weight of the boat, its style, sleeping quarters, head, tiller, or wheel. A yacht is a boat that was designed for the express pleasure of its owner.

The yacht is an invention of the 14th century Dutch. The Dutch used small, fast boats for chasing smugglers, pirates, and criminals. Rich shipowners and merchants began using these small “*jaghts*” to sail out to celebrate their returning merchant ships. It quickly became chic to use these “*jaghts*” to take friends out just for pleasure.

Charles II of England spent 10 years in exile in Holland before he was returned to the English throne in 1660. His return to the throne was celebrated by the city of Amsterdam: The city presented Charles with a luxurious 60’ yacht, and it included a crew of 20. Her name was Mary. He took great pleasure in sailing her up and down the Thames. He studied navigation, even naval architecture, and he had approximately 20 yachts built during his lifetime. It can be said that he was the world’s first yachtsman. His enthusiasm for yachting was contagious and his brother James, Duke of York, joined him and became an avid yachtsman as well.

“MARY” WAS PRESENTED TO KING CHARLES II BY THE DUTCH IN 1660.

As always when there are two sailboats on the water, a race ensues. Soon the first organized regatta was planned as a 40-mile race on the Thames. It took place in 1661 between *Katherine*, Charles’s newly constructed yacht, and *Anne*, the Duke of York’s new yacht. With Charles himself at the helm, *Katherine* won and a new sport was born.

Yachting remained the Sport of Kings for over a century, but by the 1800s yachting had grown to include participants other than just the crowned heads of Europe. The world’s wealthiest had joined in. Yacht Clubs were forming. The first yacht club in the world, the [Cork Water Club](#), was established in Ireland in 1720. Next was the Lough Ree Yacht Club in 1770 (again in Ireland), followed by the Starcross Yacht Club in 1772 in England.

#### Ahoy, Shipmates!

The SCYA Meeting and Luncheon were a great success. We had club representation from as far away as Oceanside and Morro Bay. A few of our Staff Commodores, Board Members, and Flag Officers also attended. The presentation and round-table discussion were about selection and best procedures for nominating committees. Very timely and interesting to help guide us into the future. A huge thank you to **Shana & Rocky** for their help with the event. Thank you for all the behind-the-scenes work by **Sharon Sullivan, Erika BarbariĆ, Marnie Bech, Judi and John DeFusco, Shereen and David Flamer, Mike and Linda Greenup, George Arglen, and Stella Jordan and Jim Strickland**. These events can't happen without you!

On June 16<sup>th</sup> SCYA royalty visited us again. Open to our membership and local boaters from other clubs, Vice Commodore **Kathy St. Amant** presented a wonderful history of racing and its migration from east to west coast. Titled, "Trophies: Sailing History Engraved." She explained the significance and illustrious history of some of the most famous in the sport. It included a look back at sailing along our central coast and touched on the influence and participation of the entertainment industry. Our own trophies were on display and we shared their histories. Front and center was the Paul Hatcher and Lee Robinson trophy that is now in its forever home at CIYC. With thanks to **Sherry Nolan, Kat Sotiridy, and Debbie**, visiting sister, for preparing extended Lite Bites. It was a wonderful evening!

Once again, **Frank and Gayle Laza** put on an amazing Electric Boat Event. The competition "was on" with contestants searching for the boat whose hailing port was the farthest away. First place went to **Captain Dan** and crew, locating a boat from the Netherlands, at 28,737 miles away. Second place went to the **Duffys** and crew for finding a boat that hailed from a distance of 25,051 miles. Third place went to the **Greenups** and crew with a hailing distance of 24,445 miles. All returned to the club for burgers, hot dogs, and a potluck. We owe thanks to **Kat Sotiridy and Dan and Gail Estabrook** for preparing the burgers and dogs. Thank you again, **Frank and Gayle!** (See winners page 16)

#### Upcoming on the water: July 1 In-Harbor Fishing Tournament.

This is a free fish day where no license is required.

**July 4** Annual Fourth of July Boat Parade and evening Fireworks over the water.

**July 15** - Women's Fishing Tournament. Sharpen those hooks, Ladies! A fishing license is required.

Sign-up sheets will be in the sign-up book at the top of the stairs.

The **John Larson Memorial Race** is coming up **July 8th**. This race is near and dear to my heart because it's in memory of my father. This is a 'reverse start' race - it means that all boats start at different times according to their handicaps. Thus, the first to finish are the winners. This is the 17th year this race has been held and it has always started with a toast of rum. The race is followed with trophy presentation and a burger feast for the racers - compliments of the **Larson and Tyhurst family**. Go get those bottoms cleaned for a competitive edge, and sign up with **Jane Thomas** to enter the race.

**That's a wrap... SEE YOU AT THE CLUB OR ON THE WATER, SHIPMATES!**

### Welcome to July!

This will be a busy month for me; Sophia and I are headed to Europe from the fifth through the 22<sup>nd</sup>. Shana Whitmore is stepping in for me while I am out of pocket. Emails and communications will come from her. Please be patient with her.

Wednesday dinners are looking up; thank you to all who have volunteered to cook or serve. Please keep it coming; the need for volunteers isn't going away. We have put some effort into making easy menus for those who want to help but aren't comfortable being chefs. These meals are essentially heat-and-serve and more like prep vs. cooking. Please get in touch with Shana Whitmore if you are interested.

Looking back at June, thanks to Dodie for a grand birthday bash and for stepping in and saving Wednesday night dinner on the 14<sup>th</sup>.

Also pulling double duty in June, Shana Whitmore was head chef for both a Wednesday and Saturday dinner.

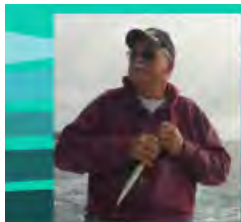

Becka's brother-in-law Cris Rodriguez also treated us to a great Wednesday night dinner. You may have seen Cris around the club; he is stepping in to help with José and crew. The Law Dogs finished off our Wednesday night dinners for the month. The Channel Islanders' Father's Day eve dinner and magic show was really something! Sold out and expanded to accommodate even more. Thanks, Linda Greenup, for the table design and securing the magician!

House notes: I am frustrated that our phone line is still down as I type this. Unfortunately, the phone line is required to service the

elevator. Becka is working on this issue but has yet to get much traction from Frontier. We will keep on them. On a related note, Jimmy Fillo has been doing a great job keeping the club in good shape.

That's all for this month. I appreciate your feedback and look forward to seeing you around the club and town.

## **White Sea Bass Grow-out Pen Report:**

The pens are empty right now. We should receive the next cohort of fish in the fall.

## **Big Fish of the Month:**

So far the Big Fish of the Month for June is Marc Gault's 31-lb. Halibut, caught June 3<sup>rd</sup>. He, of course, is keeping the details secret.

## **In-harbor Fishing Tourney #2:**

**Saturday, July 1<sup>st</sup>** is a free fishing day in California, meaning you don't need a license to fish that day. So we are having an In-Harbor Fishing Tournament for all our CIYC members who are also CIYC Angler Club Members. There is no entry fee. You should have an email from me announcing the details.

## **Ladies' Fishing Tournament:**

The annual Ladies' Fishing Tourney is scheduled for **Saturday, July 15th, 3am to 5pm**. The weigh-in is at CIYC at 5PM. Sign up is \$10 (collected by the boat captains) and the prizes will be distributed at 50% for 1st place, 30% for 2nd place, and 20% for 3rd place.

Sign up by e-mail to me at [membership.ciyc@roadrunner.com](mailto:membership.ciyc@roadrunner.com)  
Or sign up in the event book at the club.

All legal fish count, except Billfish, Sharks, and Rays. Only fish caught after 3am Saturday count for the tournament, but you may go out earlier to catch bait and pre-fish. This event in the past has been a blast. If you are a boat owner, please let me know if you are willing to take on some of these ladies.

If you are a lady wishing to fish the tourney and don't have a ride, let me know. If the weather is good we should have a great time!

Good Luck! Remember Tourney Fish don't count for Big Fish of the Month but can qualify for Big Fish of the Year, so keep turning them in.

## **Upcoming events:**

**July 1st 12 AM - 4 PM - FREE FISHING DAY & In-Harbor Tournament - see flyer page 15!**

**July 15th Ladies' Fishing Tournament**

**August 27<sup>th</sup> Reel Guppies Fundraiser**

**September 9th to 13th Channel Islands Billfish Tournament**

**November 11th Anglers' Awards Scampi Dinner**

## RAMs and Racing Report, July 2023

**Trophies:** On Friday, June 16, special guest SCYA Vice Commodore and Trophy Historian, Kathy St Amant, joined us for Lite Bites, prepared by Kat Sotiridy and crew. Kathy gave a great presentation about "Trophies: Sailing History Engraved." All enjoyed her stories about many Southern California racing pioneers and associated trophies as well as some of her personal experiences in the Channel Islands area.

Lifetime member Paul Hatcher presented the recently recovered and refurbished perpetual first-to-finish trophy for the Channel Islands to Marina del Rey race. The trophy was lost for 36 years and is now ready for this year's race, September 23. We had brought a table full of CIYC trophies from the case to display them for the event, and Bill Brayton and I reflected on a few special ones. Kathy later posted, "The tears flowed as others spoke about various special trophies and the people they were named for. It feels good when my words can enlighten others to explore their history and share their stories."

**Racing:** After press time last month, s/v WAILANI (Tartan Ten, Jane Thomas) raced in VYC's Commodore's Classic, May 21. **We took 2<sup>nd</sup> place for the 12.8nm course.**

On June 3, MAHALO (PCYC, C&C 41, Randy Dickinson) was the winner of PCYC's McCune Race; WAILANI took 2<sup>nd</sup> place, and RISA (Catalina 38, Roxanne Vettese) took 3<sup>rd</sup>. Positions 1, 2, and 3 each took home a case of Taran-tula Hill beer, which WAILANI's and RISA's crews will certainly enjoy! SWIFT (Hunter Legend 40.5, James Jewell) also participated. No CIYC boats participated in VYC's Governor's Cup on June 10.

CIYC entries in VSC's Frenchy's Rum Run, June 17, included VELERO (Islander 29, Brent Swanson) and SWIFT. I didn't see the race results, but Brent said, "It was a beautiful day on the water and we got done quickly." Jimmy said they "did well and finished in the middle of the fleet."

**CIYC's Wild Bill Rig Race (June 24) saw 4 entries.** The swell and wind had built up over a couple of days and made it a rough ride, but all completed the 15.3nm course – Mandalay buoy to Platform Gail and back. CIRRU (AYC, J/124, Larry Listing) took 1<sup>st</sup> place, FAT TUESDAY (VYC, Santana 30/30, Carlos Brea) took 2<sup>nd</sup>, RISA took 3<sup>rd</sup>, and SWIFT took 4<sup>th</sup> place. Brian Stanton and Monique Cordray took their sailing catamaran, R MANTA SEA, to the Mandalay buoy as the Race Committee boat with PRO Bill Brayton and Christina Ballas. To encourage more boats from Ventura to participate, the race finish was at the Mandalay buoy (approximately midway between Ventura and Channel Islands Harbors) with a reference point ashore for the east end of the line. Racers recorded their own finish times and texted or called the RC with their finish times. We also asked the racers to record their tracks through a free phone app, RaceQs ([www.raceqs.com](http://www.raceqs.com)). Mike Geer collected the boats' self-reported finish times, processed the results, and coordinated the RaceQs replay! The software and phone reception from individual boats can be a bit unreliable, but when it works, it's fun to watch!

Happy Sailing!

Cap'n Jane

## Peninsula Revetment Completed, Site Is Ready for New Hotel Start

The community has been looking forward to the building of the new Hyatt Place Hotel on the site of the old Casa Sirena. Harbor Director Michael Tripp reported that the revetment work around the Peninsula site has been completed and the Harbor Department is preparing to turn the site over to the hotel developer before the end of June. No date for a groundbreaking ceremony has been set as of this writing, but it should be in July.

The hotel development has been widely supported by the community through the many delays the project has undergone. The addition of the new hotel is much needed to reinvigorate the harbor.

## Return of July 4<sup>th</sup> Fireworks to Harbor and Concerts By the Sea

By popular request, the Harbor Department is bringing back the harbor's Fourth of July Fireworks Show. The harbor will also hold its summer series of "Concerts by the Sea" every Saturday from 4pm to 6pm, starting on July 8<sup>th</sup>. This is great news as more activities at the harbor will energize harbor businesses as well as bringing more for our community to enjoy.

### SMUGGLERS COVE

Smugglers Cove at Santa Cruz Island is part of the Channel Islands National Park and Marine Sanctuary which protects the natural and cultural resources of the islands. I've used Smugglers Cove as my default anchorage on many trips after being blown out of Prisoners, Forney's, or Pelicans. And one of the most glorious sights at Smugglers is a full moon - seeing that luminous orb rising out of the eastern horizon. On our next Full Moon Weekend Cruise, let's make sure to meet up and anchor together at Smugglers.

This cove has a rich and colorful history; it was used by pirates, smugglers, bootleggers, and other outlaws as a hideout and a landing spot for their illicit goods. Prior to European contact, the Chumash Indians inhabited Santa Cruz for at least ten thousand years. Evidence for eleven Chumash villages on the island have been found. The Spaniards named the island Santa Cruz - they were impressed by the friendly Chumash who returned a staff topped by an iron cross to a priest. The Chumash left the island in the early 1800s when the Spanish brought them into their missions on the mainland.

Fur trapper and hunter George Nidever named the cove after visiting the island in 1835. He noticed the cove had a natural cave that could serve as a storage site for smuggled goods. The cove was sheltered from wind and waves, making it ideal for anchoring boats. It became a popular destination for smugglers who used it to evade the authorities and avoid paying taxes or tariffs on their merchandise. Smuggled items included otter pelts, gold dust, Chinese laborers, liquor, opium, and firearms.

A notorious smuggler was Frenchman Hippolyte Bouchard, a pirate who raided the California coast in 1818. He attacked several missions and towns along the coast, looting and burning them. He also captured several ships and confiscated their cargos as well as taking their crews prisoner. He used Smugglers Cove as his base of operations, storing his plunder and holding his captives for ransom.

Another famous smuggler who frequented Smugglers was American explorer and politician John C. Fremont. He led several expeditions to the West in the 1840s and was involved in the Bear Flag Revolt, a rebellion against Mexican rule in California preceding the Mexican-American War. He used Smugglers Cove as a rendezvous point for his men and supplies.

The cove also witnessed some tragic events in its vicinity. In 1853 the *Winfield Scott*, with more than 500 passengers and crew members aboard, ran aground on a reef off middle Anacapa Island. The ship was on its way from San Francisco to Panama, carrying gold seekers who wanted to cross the isthmus and reach the East Coast. Fortunately, no lives were lost, but most of the passengers' belongings and the ship's cargo were either stolen by looters or lost.

Another tragedy in the general area occurred in 1911 when the steamship *Santa Rosa* encountered a storm and foundered on rocks at the outlet of Honda Creek, north of Point Arguello. The ship had been transporting a cargo of lumber from Washington to San Francisco when disaster struck. Four crew members were killed and dozens of people were injured. Of 200 aboard, 192 survived. If you google shipwrecks in the vicinity of Santa Cruz Island, you will find dozens of vessels have been lost. So be careful out there!

We are blessed to have our Channel Islands right off our coast.

# Channel Islanders First Mate Carole Naylor

Hi, Everyone,

I'm writing this just a few days before our sold-out Father's Day Eve Dinner and Magic Show. So next month we will have plenty of pictures of that event to share with you.

I'm very happy to announce that we have donated the funds for an **Intercom System** between the two galleys — and it has already been installed. For any cook who has run up and down the stairs due to needing someone to close the dumbwaiter door, this is a major improvement. I sincerely thank Bill Elswick for all his help in finding the right intercom as well as installers.

Our May meeting was a little different in that many who would have attended were out of town or had other commitments. So we tried something new: Evelina prepared a salad and provided pinwheels. We also served wine as part of the lunch. Although we had no speaker, we enjoyed visiting and catching up with each other. We hope you'll want to join us for our next lunch. — To be announced soon, so check your email.

See you at the club,
