## Message From The Commodore Diane Sherlock

**CIYC's GOT TALENT** – Yes, indeed we do, as witnessed by the many members and guests attending our **Variety Show for 2019**. A huge thank you to Barbara Brauns, Jack Borkowski, Larry Stein, Bobby Orgel, and the CIYC band for the countless hours of producing, rewriting, and rehearsing. And thank you to the many TALENTS of those who took the time to entertain us all – these people also spent countless hours on rehearsals, costumes, etc. Thanks to all the backstage hands, the lighting crew, the audio techs, and the cooks who assisted Jack. This year's show is now in the memory books, but work on next year's show has already begun! Being involved in the show creates new friendships and is such fun - so think about it for next year.

Our June calendar has been filled with many stellar events: our **Men's Fishing Tourney** won by our Anglers' chairman, Frank Sullivan, our **first Dinghy Party of the year**, our first **TGIF Fish Fry** of the season, our **Father's Day** dinner, and culminating with our very heartwarming **Disabled Veterans Sail Day**. Once again, the DAV was a huge success, chaired by Bill Brayton and assisted by Lana Lynch, Event Coordinator, Bill Lynch, Food Chairman, Cindy Arosteguy, and a host of volunteers. Thanks to all who participated and gave these vets a special time on the water. Sydney McFarland, a big thanks to you for once again creating a beautiful display case of memory flags.

Believe it or not, this year is half over, and at our General Meeting on June 28<sup>th</sup>, we elected a nominating committee which will present a slate of Board of Director candidates at our August General Meeting. If anyone is interested in serving, please see one of the committee members.

Our Electric Boat Chairman, Frank Laza, has an **all-harbor boat parade scheduled for July 4<sup>th</sup>**. This will definitely be an event you won't want to miss. Come back to the club for the awards and our **SPECTACULAR July 4<sup>th</sup> Barbecue**. Thanks to Jerry Wood for putting this together – and it's his birthday! We hope the weather will hold so we can see the Fireworks display.

In mid-July we have our boat and/or land cruise to Ventura Harbor. According to our Rear Commodore, this is slated to be a fun-filled weekend. It's always fun to see what our sister clubs are doing!

Under the guidance of our bar manager, Mike Greenup, and our head bartender, Kamie Gioseffi, our watering hole is doing well. Kamie's specialty drinks have been a huge hit, and Jess and Lisa have mastered her recipes well. They try to provide good, fast service to all, but occasionally there will be a backup, mostly due to the fact that people do NOT sign up for events until the last minute, which makes scheduling difficult at best. PLEASE, PLEASE, sign up for events as early as possible – this will help us immensely. And don't forget to add a gratuity to your bill or use those tip jars – "Happiness is a happy bartender."

## Message From The Vice Commodore Mike Farrell

Summer is now in full swing and we are looking forward to an end to “June Gloom” and the dawn of sunshine! Activities in July turn to the outdoors. Lots of boating and other fun events.

Attendance at Wednesday dinners was down a bit in June. However, for those who attended, we had some excellent meals. Many thanks to Carter Gage, Frank Sullivan, Meggie Hawthorne, and Valerie La Liberte, (Kamie’s mom) for stepping forward to host these dinners. Carter treated us to his “secret sauce” which is always a hit. Frank and the Law Dogs offered up Chicken Fried Steak with all the trimmings. Meggie and Derek served an excellent Caribbean menu. We finished the month with a dinner prepared by Kamie’s mother, Coconut Lime Wild Caught Salmon, Rice Pilaf and a Vegetable Medley! A great mix of flavors and styles.

We will not be having a Wednesday dinner on July 3rd because of the Holiday Supper Club the following day. As of the Currents going to press, I am without cooks for July 10, 17, and 24 and all of August. Please let me know if you are willing to take on one of these dinners. As always, I will help find experienced crew members if you need guidance.

On July 4th, Frank Laza is leading an electric boat parade in the harbor, and participants are invited back to the club for a barbeque. Thanks to Jerry Wood who will again head up food preparation, but I need volunteers to help with salads, condiments, and keeping the buffet line stocked. Please let me know if you can help.

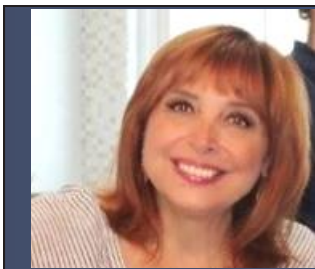

TGIF returns on Friday July 12th. The horses are under repair or replacement, but I’m sure they will be running fast by that date. The Epicureans are hosting an Italian dinner on July 20<sup>th</sup>, and Elyse tells me it will be wonderful!

I need to ask a BIG favor of all club members who attend Saturday dinners and special events. Please sign up for these dinners early. It is impossible for the chefs to predict how many people to cook for, and for the Bar Manager to know how to staff the bar. For the Father’s Day dinner, we had only 32 sign ups on Thursday. The crew cut back on food and the 2<sup>nd</sup> bartender was cancelled. By Saturday, there were 54 people coming. The Islanders did a great job of stretching the food, and Jessica was called in at the last minute to help out at the very busy bar. If everyone would have signed up by Wednesday, the dinner would have been pulled off without a hitch. ***Remember, you can always cancel your reservation by noon on Friday without a penalty.***

Maintaining our aging building is a never-ending proposition. In June, we replaced the broken exterior doors in both kitchens. I am researching ways to modify our Staff Commodore picture wall to accommodate photos of our current Junior Staff Commodore and beyond. I continue to work on finding suitable options to spiff up our bar furniture, and to encourage Vintage Marina Partners to repair our building’s exterior, including the upper deck. Progress has been slow but I am, if nothing else, persistent.

**Have a great summer and I look forward to seeing all y’all at CIYC!**  
**Mike Farrell Vice Commodore 2019**

### Message from Rear Commodore Linda Weisfuss

So much is happening now. We finally have warm weather and calm seas. The races, parties, and cruises have started. On June 9<sup>th</sup> we had our first dinghy party. Thank you so much to Joyce Sheridan and Jack Borkowski for hosting an awesome event. People are still talking about it. Thank you to Rick and Sherie Ireland for your hospitality! Your dock space and beautiful home worked well. Joyce and Jack prepared an abundance of food; it was so good Emeril Lagasse could not have done better!

To our tireless nonstop bartender, John Medlen and assistant Lisa, taking care of over 80 people: a Big Thank You. What would we have done without the people who helped me set up and take down: Sherie Ireland, John Medlen, Mike Greenup, Barbara Brauns, and Nancy Forrester - You're the best! To Linda and Mike Greenup for putting together the hilarious games. Our guests and participants thank you for making us laugh and have fun.

Next on the calendar was June 23<sup>rd</sup> we had our Disabled Veterans' Sail Day. This is one of our big events a good time to put in your volunteer time in order to give back to our military for their service and sacrifice. We gave Veterans and their families a cruise on the water. We also gave them breakfast and lunch. It was a wonderful day not to be missed!

June 29<sup>th</sup> CIYC hosted the Wild Bill Rig Race. It's one of the larger races. There was an awards dinner for all the participants. I don't have the results at the time this goes to press. Good sailing to our racers!

July 12<sup>th</sup> -14<sup>th</sup> Cruise to Ventura Yacht club, Boat slips are available. Come for the weekend or just a meal at their club on Friday, and one on Saturday night. Menu and speaker information will be in our club reservation book. You must make a reservation in our book at the bar. Should be a fun cruise.

ENJOY THE SUMMER ON THE WATER!

**Linda Weisfuss Rear Commodore**

## FROM JANE THOMAS, OUR FLEET CAPTAIN

Message From  
First Mate  
Laurie Preston

Hello, Islanders and all CIYC Members!

What a wonderful **Father's Day Dinner** we had in June! Everyone had a great time! I thank my hardworking crew for their help in the **kitchen: Evelina and George Arglen, Carol Lazzarevich, Bob Brown, Bob Deyling, Marsha Anderson, Elese Childs**, and servers: Valerie Stephens, Sherry Nolan, Kat Sortiridy, and Miriam. Our popular DJ, Jim Cubberly, enhanced the evening with music for dinner and dancing. Last but not least, my thanks to Bob Taylor for continuing to teach club members Line Dancing, an activity many continue to enjoy. His students, such as Erika, Marnie, and Jolene shone as they accompanied him!

Islanders purchased a new high capacity gas grill for the club.

We now have a **Nominating Committee** to select candidates for next year's. Islanders' Board: Rodlyn Brown, Melinda Irwin, Karen Farrell, Francene Thomas, and myself. I'll be passing the leadership on to someone else, and our Corresponding Yeoman, Arielle West, moved. At our next Regular Meeting in July we will announce the nominees, and elections will be in September.

By the time you read this, about 10 members will have gone on our excursion to the Ojai Lavender Festival on June 29th. The next one will be to the Carpinteria **Polo Club on July 14th, from 1 to 6**. Sign up ASAP with Linda Perry at [iborg2@gmail.com](mailto:iborg2@gmail.com). Make out check to Channel Islanders.

**Happy Summer!**

1. 75% of Americans are chronically dehydrated. (This likely applies to half the world's population).
2. In 37% of Americans, the thirst mechanism is so weak that it's mistaken for hunger.
3. Even MILD dehydration will slow down one's metabolism by 3%.
4. One glass of water shuts down midnight hunger pangs for almost 100% of dieters who participated in a study by the University of Washington. A glass of water at bedtime will reduce leg cramps!
5. Lack of water is the #1 trigger of daytime fatigue.
6. Preliminary research indicates that 8 – 10 glasses of water a day could significantly ease back and joint pain for up to 80% of back/joint sufferers.
7. A mere 2% drop in body water can trigger short-term memory trouble with basic math and difficulty focusing on a computer screen or on a printed page.
8. Drinking 5 glasses of water daily decreases the risk of colon cancer by 45%. 5 glasses of water daily can slash the risk of breast cancer by 79%. Also, 5 glasses of water daily drop the risk of developing bladder cancer by 50%.

### Viagra Prevents Heart Attacks and Strokes?

Well, that is what Italians think they've discovered. From Sapienza University in Rome: The key ingredient in Viagra (PDE5i) relaxes the blood vessels, which also prevents damage to heart cells in compromised hearts. For ex: enlarged hearts that are prone to heart attacks and stroke. And, the enlarged hearts stopped growing bigger. They are asking for urgent large clinical trials, including for women. I hope they get a handle on this.

# THANK YOU

I would like to thank everyone who participated in (CIYC's GOT TALENT - VARIETY SHOW). What a great cast of Talent and technical skills. It takes a huge amount of help to put it all together and make it work. I know that the time and effort you all put in to this was a labor of love. We all worked together as a team and I know many of us formed special bonds that will take us to the next year's show. A special thank you to our members and friends who supported and applauded us on our journey to entertain and wow you with song and dance.

## **Oxnard's Decision on Fisherman's Wharf Project's Local Coastal Plan Amendment Will Impact Entire Harbor**

On July 18<sup>th</sup>, the City of Oxnard will hold a second public meeting on an application for a Local Coastal Plan Amendment (LCPA) from Ventura County and developer, Channel Islands Harbor Properties LLC (CIHP). This will be the second of 3 public meetings on this issue. Public comments are welcome at this meeting.

The July 18th meeting is with the City's Planning Commissioners. The time and location of this meeting were not determined as of this writing. The third public meeting will be with the City Council and is anticipated for mid- to late September 2019.

Amending its Local Coastal Plan is a serious decision for the City. This amendment will impact the entire harbor, not just Fisherman's Wharf. It will allow other high-density residential development at the harbor. The City will lose its permitting authority and be unable to propose any modifications or changes to harbor development projects, despite the fact they are within the City.

This amendment is critical for the massive apartment complex project to go forward to a California Coastal Commission hearing. The California Coastal Commission (CCC) has required that this be done. Without this LCPA, the project will be suspended.

Those interested in the outcome of this Local Coastal Plan Amendment decision should attend the July 18<sup>th</sup> meeting and voice their concerns.

### **Updates on Other Harbor Matters**

#### **Actual Scale Model of Fisherman's Wharf Project Built Using Developer's Plans and Elevations**

The grassroots volunteer community group, the Harbor & Beach Community Alliance (HBCA), has built a scale model of the Fisherman's Wharf project using the developer's own plans and elevations.

The model was built to educate the public. It shows what the project really looks like in stark contrast to the developer's promotional renderings.

The model has been shown at several community meetings and at a California Coastal Commission hearing as an example of why good decisions about development projects can only be made if there are accurate representations of a project. Promotional renderings are designed to "sell" a project and there are no consequences to the developer if they are misleading. This is not right and is unfair to the public.

## Hyatt Place Hotel Project - More Delays

At the June 6<sup>th</sup> Harbor Academy presentation, the Harbor Director announced that the replacement for the old Casa Sirena Hotel and restaurant faces further delays. The following is a timeline of events.

### 2016

March 22, 2016 – Hotel project approved by County Board of Supervisors for parcels F and F-1

May 3, 2016 – Board of Supervisors approves reinstating an expired Exclusive Right to Negotiate (ERN) to Fisherman's Wharf developer, Channel Islands Harbor Properties LLC. This ERN had expired more than a year before, in February 2015. This ERN was for the same parcels, F and F-1, which had been awarded to the Hotel Project a month earlier. The community was stunned and furious.

June 9, 2016 – California Coastal Commission approves Public Works Plan Amendment 6 for Hotel.

### 2018

June 8, 2018 – California Coastal Commission approves the Notice of Impending Development (NOID) for Hotel to start demolition and construction.

### 2019

January 2019 – County tries to get Oxnard street land for Hotel parking and announces rock revetment work is a bigger project than originally anticipated.

Harbor Director says it is anticipated that we will be ready for demolition (of old Hotel) in May...then the revetment work could occur, which could take up to six months.

April 2019 – Harbor Director says old Hotel demolition is delayed and now expected to start in October and is expected to take four months.

Based upon the Harbor Department's current projected timetable, the anticipated date for hotel construction to start will be sometime around July-August of 2020. Interestingly, Channel Islands Harbor Properties' (CIHP) exclusive development right for this site expires on June 30, 2020.

## Whale's Tail – Still No Agreement with Fresca II.

There has been an ongoing series of missed dates for an agreement to go before the Ventura County Board of Supervisors. The Whale's Tail has been vacant since December 2015. The selection of Fresca II was announced in July 2017.

## Channel Islands Boating Center – Still No Operating Agreement Since It Was Built in April 2013 for \$8 Million and is Not Operating Full-Time.

# Pizza and a movie at CIYC

## Thursday, July 25, 6:30-9:00pm

There's a new movie out entitled "Maiden." It's a documentary about the first all-women sailing team to compete in the Whitbread Round-the-World race in the '80s.

We will show the movie on the big screen in the dining room on Thursday, July 25, 6:30-9:00pm. CIYC and CIWSA members are invited. Jane Thomas will bring her computer and some frozen pizzas to bake. We will donate any pizza profit to CIWSA's Youth Sailing Scholarship Fund.

Sunday July 28, 2019

The annual Ladies' fishing tourney has been scheduled for **Sunday July 27<sup>th</sup>, 4am to 5pm**. The weigh-in is at CIYC at 5 pm. Sign up is \$10 (collected by the boat captains) and the prizes will be distributed at 50% for 1st place, 30% 2nd place, and 20% 3rd place, the Sign-up list will be in the bar on a clipboard on the wall by the fishing photos, or e-mail me at [frank.sullivan@roadrunner.com](mailto:frank.sullivan@roadrunner.com).

This event, in the past has been a blast. If you are a boat owner, please let me know if you are willing to take on some of these ladies. If you are a lady wishing to fish the tourney and don't have a ride let me know. If the weather is good, we should have a great time.

Good Luck, remember Tourney fish don't count for Big Fish of the Month but can qualify for Big Fish of the Year, so keep turning them in.
