COLLEEN NIX

The year is half gone, and I am proud to report our Club continues to be headed in an upward motion. These are some of the highlights from the first 6 months of the year:

A BALANCED budget was created and presented to the Membership in January. Since then, all of the vendor contracts, outside services, and insurance policies were reviewed. Changes were made concerning the linen vendors, janitorial services, and insurance policies were updated and amended. The Club has been running in the BLACK every month in 2007. Dinners have been very well attended all year. Wednesday night dinners participation has increased, and attendance is larger now than in the past 2 years. Saturday night dinner attendance has increased all year, and the bar is showing a very respectable profit. TGIF and Holiday Supper Club have been very successful thus far. Friday Night Birthday Bash has turned out to be a resounding success, and attendance for this monthly event increases each month. The introduction of the Ventura British Brass Band on the first Tuesday of each month has proven to be a real treat, and having the bar open an additional evening during the week has not only been enjoyable, but helps with the over all success of the bar. Jack's "Martini Sundays" are a great way to end the weekend, and many folks have been coming up to the Club on Sundays to enjoy the Martinis and delicious appetizers. We have enjoyed 2 socials, an Easter Brunch, a Mother's Day Brunch, a Fashion Show and a Father's Day Dinner.

Let's also not forget a very elegant and well attended Opening Day. Still the best Opening Day on the West Coast!

The Club has reached an agreement with Vintage Marine Partners on the new slips that are being built in front of the Club. Upon completion, the Club will have the right of "First Refusal" on all of the slips on C dock. We have also retained the end tie on C dock for our guest docks. This is a huge success for CIYC. The weekend of July 14<sup>th</sup> and 15<sup>th</sup>, we will have a "Cruise to CIYC" in celebration of the new docks opening. We have permission from Vintage to allow our Members to move their boats over to the new docks for the weekend. In celebration, we will be holding a "CIYC Dock Party and BBQ"- with lots of food- libations and music. Please sign up in the Cruise book, and bring your boat over- dressed with flags, etc. We are also having an Open House for prospective members at the Club House that Saturday and Sunday. This will be a great time to introduce your boating friends to the Club.

The Club has enjoyed 6 Cruises thus far, all having been very well attended. CIYC has hosted the Mid Winters Regatta, Port Royal Regatta, Bob Cooke Memorial Regatta, Opening Day Parade, Lady at the Helm Race, Newport to Ensenada Race, and the CI to MDR race so far this year.

Cruiser Nav has already held 3 races, 2 hosted by CIYC. Anglers have enjoyed their "MEET AND EAT" meetings at CIYC once per month, and the average attendance for their monthly dinner meetings have averaged 50+. Anglers have successfully released 14,000+ plus white Sea Bass thus far this year, and they also held the Ladies Fishing tournament in June. 25 Lady Fishermen enjoyed a beautiful day on the water, and most Ladies came in with a good catch.

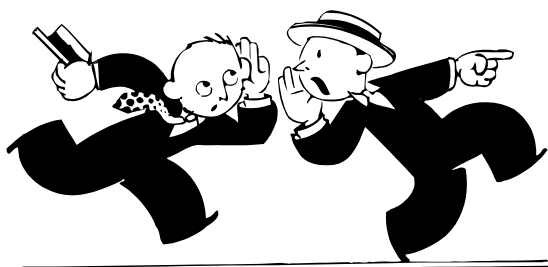

We are currently attracting new members every month, and our RAM participation is on the rise. In retrospect, we have had a very busy and successful 6 months.

We have now reached a point with our discussions with Vintage that some hard decisions need to be made concerning the renovation of our Club House. By now, you should have all received my letter asking for your attendance on July 20<sup>th</sup>, 2007. This will be an informational meeting that will start at 7:00PM in our CIYC dinning room. This will be a formal meeting which will be conducted under the guidelines of the Roberts Rules of order. Each Member will have an opportunity to address the Membership and the Board of Directors, and will be limited to 3 minutes per Member. If you have questions that you would like to ask the Board prior to the meeting, an email address has been set up specifically for this purpose: [board.ciyc@earthlink.net](mailto:board.ciyc@earthlink.net). Or, you

can drop your questions into the suggestion box that we have placed in the Lobby of the club. The deadline for questions mailed or placed in the suggestion box is July 14<sup>th</sup>, 2007 for the July 20th meeting. All questions will be answered in written form, and read at the beginning of the meeting. The questions and answers will also be printed and distributed for your reference during the meeting. No vote will be taken on this issue during the July meeting. The vote will be held during the General Membership meeting via ballot on August 24<sup>th</sup>, 2007. No discussions will be entertained during the August meeting, however, additional questions that may arise from the July meeting may be sent to the email address [board.ciyc@earthlink.net](mailto:board.ciyc@earthlink.net), or placed in the suggestion box by August 11<sup>th</sup>, 2007. Prior to the vote during the August meeting, all additional questions and answers will be read at the start of the meeting, and once again printed for everyone's review.

Although we have a ways yet to go this year, we have had an extremely successful first half of 2007. I am very encouraged, and so should all of you. Whichever way the vote turns out in August, we can look forward to nothing but positive changes, and continued growth. We have a great future ahead of us. Be a part of it, and enjoy it!

Summer is here and we have plans to be out on the water! We have been busy this spring and July has many opportunities for you to participate.

June 9 we held the third of the Bob Cooke Memorial Series. Fourteen boats entered the race at the Skippers meeting! For race three of the series *Jaded* placed first in the spinnaker class and *Velero* placed first in the non-spinnaker class. The series champions are *Bikini Machine* for the Spinnaker class and *Velero* for the non Spinnaker class. Congrats to all the participants. And a big THANK YOU to all the committee help including Don Lehman, whose boat was the committee boat, Ron Lippert, Dan Alpern and my husband Steve.

Sunday, July 29, we will have our annual All Club Race. If you would like to help plan this great event, please give me a call. Plans are being made and this year has some special surprises in store for this event.

We will be hosting two more races this year, August 18 and September 15, so put these dates on your calendar and give me a call. Get involved with these events; we have a lot of fun with our great group of sailors as well as those from other clubs.

There is a Cruiser Navigation race planned for Saturday, July 14. Please call George or Evelina Arglen if you are interested in entering your boat or participating as an observer.

Check the Cruise book in the bar...our cruising chairman, Larry Golkin, has great plans this summer.

As you can see, we have lots of opportunities to enjoy boating.

See you on the water!

In June, we had our very first concert by the Ventura Brass. The dance floor was filled with brass musicians and the building was filled with great music. This will be a monthly event, usually on the first Tuesday of the month except July it will be the 2<sup>nd</sup> Tuesday. Those who attended the premier were completely wowed and truly enjoyed the opportunity to ask questions of the musicians. It became a music seminar with friendly folks playing and teaching.

The reconstruction of the downstairs bathrooms is proceeding quite well. It required the redesign of the name board. The name badges are now on a magnetic white board in alphabetic order.

The June Ship Shape was successful. We installed a pot and utensil hanging system in the pantry which was necessary to keep utensils and food containers off the floor of the pantry. **DO NOT** place any food containers or cooking utensils on the floor. Help us follow the requirements of good sense and of the Health department. If you are on a cooking crew, make sure you cover and mark with a permanent marker any food stuffs placed in the refrigerator. Write the date it is placed there and what it is and if it is to be saved for a particular event. Raw foods should never be stored above cooked foods in the refrigerator.

During the first five months of the year Silvia Hyde was in charge of scheduling the Wednesday night dinners, she had only promised to cover the first three months but carried on until June, doing an excellent job. Thank you to Silvia for doing it so well. Paulette Underwood has volunteered to take over this job beginning in June and she has already produced some excellent meals. Thanks to all the cooks that make Wednesday nights and Saturday night dinners a special treat for us all. If you want to give it a try or just want to help, please contact me or Paulette and we will be glad to direct you.

See you around the Club. Your Reluctant  
Rear Commodore, **Frank Sullivan**

The Fathers' Day Dinner was a great event. It was nice to see so many members celebrate with their families.

Thank you, **Evelina** and her crew, **George Arglen**, **Sandy Crocket**, **Bob and Sharon Deyling**, **Carol Lazzarevich** for preparing such a delicious dinner that I know everyone enjoyed. The Islanders are proud of all your wonderful luncheon and dinners. Thank you again **Evelina**. A round of applause to **Sharon Callahan**, **Sharon Deyling**, **Sylvia Hyde**, **Georgie Olsen** for setting the tables and giving them a great festive look and we can't forget our balloon men **Bob Deyling** and **John Hyde**. It was great fun. Thank you **Sharon Deyling** for finding and procuring the first aide kits we gave to all the Fathers. I can't forget to thank **Jane Thomas** for taking pictures of this Fathers' Day event, we love the memories.

The Islanders are planning a trip in November to Chumash. We will let you off in Solvang if you would rather shop then loose your money in a machine, but there is always hope for a big winner. More information will be forthcoming. There will be a sign up sheet in the

Islanders book at the bar.

With great appreciation to **Sharon Deyling**, **Sylvia Hyde** and **Joyce Sheridan** for cleaning out the refrigerator and labeling jars and such with dates, so we know how long food has been there and when it should be thrown out. This is an on going problem and it would be helpful if members who cook would wipe up spilled food and throw out food that is past its expired date.

# MEMORIES OF... MEMORIAL DAY AT PRISONERS

By Larry Golkin

Memories of Memorial Day at Prisoners  
By: Larry Golkin, Cruise Chairman

If Memorial Day is a time for reflection on the past events that make our history worth reflecting upon, then this Memorial Day Cruise is certainly one for the books. In years past, our club typically cruised to Marina Del Rey and visited the Del Rey Yacht Club. For a number of reasons, however, this year was different. CIYC Cruisers elected this year to spend the holiday weekend at Prisoners Harbor, Santa Cruz Island.

Prisoners Harbor is a fabulous anchorage. It is scenic and accessible. This summer, the dinghy dock is there, and there is a host of new picnic tables on the beach. The pier appeared freshly painted, although the out-house had been less than well maintained.

The weather was good with low clouds and fog in the mornings, and a brisk breeze in the afternoon coupled with sunny skies and starry nights. The swell was small making for very comfortable conditions in the anchorage.

Although significant crowds were anticipated, there were only 16 boats anchored at Prisoners making for a roomy weekend. What is most stunning is that 10 of those boats were ours. *Abreojos, Ellen Celia, Shady Lady, Harmony, Squidworth, Wind Song, Fusee, Maloose, Wainui* and a cameo appearance by *Dawn Patrol*.

We had three consecutive, beautiful evenings on the beach sharing cocktails and tasty hors d'oeuvres. Nobody even came close to falling off the dinghy dock notwithstanding the spirited nature of the gatherings. Daytime hours were spent relaxing and visiting with friends and touring the fleet of boats. Some of us caught fish while others caught rays, and some were absolutely determined to "catch a buzz." It was too much fun!

Brenda and I spend many days a year at sea. I can honestly say that I will remember these 4 with much fondness and I hope this crew will cruise together again. What's more, we all hope more of our friends will join us. In

June, we will cruise to Anacapa on Father's Day. In July, however, we have another long cruise planned for the 4<sup>th</sup> of July weekend. This cruise will depart on Wednesday, July 4 and return Sunday, July 9. The trip is scheduled to rendezvous at Prisoners. Depending on the weather, it would be fun to spend a couple days at Prisoners and then cross over to the other side of the island and spend the last few days at Coches Prietos.

CIYC members are encouraged to participate in these cruising activities. We are a yacht club and we know how to have fun. When we combine the two, great memories, a lot of laughs, new friendships, and fun are guaranteed. See you out there in July!

# *The Competitive Edge*

*By Richard Sharp*

You may not know this, but in the first half of the year, your club puts on more sailboat racing in Ventura County than any other yacht club. That is thanks to your Commodore Colleen Nix, Vice Commodore Sue Johnston and the race committee led by PRO Dan Alpern. It doesn't happen on its own you know so let's give a big hand to all those who help. Club stalwarts like Don Lehman, Ron Lippert and Steve Johnston.

## **Hardway Race**

### **CIYC comes out the winner in Hardway Race**

Left to right, Mike Taylor, *5150* first in Spin A, Richard and Paula Sharpe, *Perfect Balance* first in Spin B, Kevin Dickmann, *Zuma Jay* 2<sup>nd</sup> in Non Spin, Brent Swanson and Larry, *Velero* 1<sup>st</sup> in Non-Spin, along with Larry and Jo-Ann Hansen, *Scooter* 5<sup>th</sup> in Non-Spin. Not present was Rod Abbott, *Funatic* 2<sup>nd</sup> in Spin A and Mike Warns owner of *5150*.

As you can see, the team cleaned up. We took first place in the three classes that we entered and

again we had more boats take part than any other club, except the hosts, Pierpont Bay Y.C.

As usual, this race, the first of the Landrover Series, was a long affair, with several boats finishing in the early hours of Sunday morning. We won't pick out any special boats as this was the best team effort that CIYC has put together in a long time and everybody concerned deserves our thanks and congratulations.

### **Anacapa To Port**

On June 2nd the action moved to Anacapa Y.C. with the first of the Island series, Anacapa to port. This infamous race always promises to be long with very little wind on the back side of the island.

The race started with worryingly light winds, generally the precursor to a long day on the water. Away first in Spin A were *Deception*, the Santa Cruz 50 with *Perfect Balance* the Olson 30. Light winds gave these two boats the early advantage. Rod Abbott in *Funatic* managed to slowly haul in the Olson, so the order of battle on reaching the island was *Deception*, *Funatic*, *Perfect Balance*, *Three Little Birds*, *Coyote*, *No Compromise* and *Leona Kai*.

Meanwhile the non spin boats with *Velero* in the van, slowly ground out the miles towards the island. They were quickly overtaken by the big cat *Afterburner* and the trimaran *Indefatigable*.

The surprise came at the turn around the west end. There was wind. Not much 'tis true, but enough to keep people moving. The whole field bunched together but all moved around the "Windward Mark" with more speed than they had dared hope.

Another surprise at the east end, the wind

was on the beam and up went the spinnakers, one after the other as we all romped home. The non-spin boats had a great reach all the way home, the last one finishing well before sunset.

*Perfect Balance* won Spin A with *Coyote* 2<sup>nd</sup> and *Funatic* 3<sup>rd</sup>. The non spin was won by our *Velero* with Mike Taylor on *Harmony* 2<sup>nd</sup>.

### **Bob Cooke Memorial Double Handed Series**

The closer of this fascinating series was held on June 9<sup>th</sup>. All good things must come to an end and 13 boats turned out on a beautiful day to be on the water, in memory of a man who truly loved our sport.

Most boats wanted to see more wind, but the Olsons and the J24s were enjoying the feeling of being far too close to the big boats. The spinnaker boats went the traditional route, around Anacapa, however Dan Alpern kindly sent us the starboard route as there is generally more apparent wind that way. Well done Dan.

*West Wing* and *Funatic* found it difficult to get traction in these conditions and had a small lead over *Perfect Balance*, *Bikini Machine* and *XS* at Arch Rock. Then followed the frantic hunt for wind, as boats darted in all directions looking for the merest puff to gain an advantage. At the end of this 5 mile beat, the picture had completely changed. First, around the West end and back into the channel was *Perfect Balance*, followed by *Funatic*, *West Wing*, *Bikini Machine* and *XS*. The slower J24's had not been idle and were still in sight at the turn. The wind was forward of the beam, but most set spinnakers to speed their way home.

First to finish was *Funatic*, followed by *Perfect Balance*, *XS* and *West Wing*. However on corrected time, *Jaded*, sailed by Deke Klatt the first J24 home by 22 minutes, won the race followed by *Perfect Balance*, *Bikini Machine* and *Radio Flyer*.

In the series, *Bikini Machine*, sailed by Avery Stewart of Ventura Y.C. was first, *Perfect Balance* was 2<sup>nd</sup> followed by *Jaded*, *Angry Hillbillies*, *XS*, *Quiet Thing Two* and *West Wing*.

In the non-spin class, *Velero* romped home again (maybe he's getting help from upstairs) ahead of *Zuma Jay*, *Harmony* and *Runaway*. But in the series *Velero* was 1<sup>st</sup> with 5 points, *Runaway* 2<sup>nd</sup> with 7, *Harmony* 3<sup>rd</sup> with 9 and *Zuma Jay* with 10 points, only because Kevin Dickmann was not able to enter the middle race. Well done all, with a great turnout for the club and Bob.

### **Wet Wednesdays**

### **Rod Abbott's Funatic finishing strongly on a Wet Wednesday**

To all you members who want to get into racing in an easy way, Wet Wednesdays are well underway in the Harbor. Our sister club Anacapa YC hosts these evening races until the end of September. This is a great way to get to meet other sailors from the area and to get into racing with a little less pressure. All our RAM members are normally in attendance, flying the CIYC burgee and they all have one other thing in common: they are always looking for crew. # Anglers' Corner

By Frank Sullivan

## Ladies Fishing Tourney Result:

This was a great event. We had six boats entered with 24 ladies fishing the tourney. Everyone seemed to have a good time. The only problem was a communication glitch that had 2 boats returning late, or it would have penalized 10 ladies because one person made an error on the weigh-in time. These tourneys are camaraderie and fun. We will trust the entrants to play fair.

The first place was taken by **Mary Barker** on the *Findango* with a 15.5lb Halibut

Second place was taken by **Mary Sensabaugh** on the *Dawn Patrol* with a 10.7 lb Halibut

Third place was taken by **Pat Heatherly** on *My Blue Heaven* with a 2.9 lb Red Rock fish

Forth place was taken by **Georgie Olsen** on the *Valkyrie* with a 2.7 lb Sculpin

I'm not too sure the Men's Tourney this month can match the turn out that the Ladies had!

How about it, guys, let's kick it up a notch!

## WSB pen update:

By the time you read this, the Pens should be moved again and ready to receive fish. It will be great to get back into action again.

## KAYAKS AND CANOES

If you have working kayaks or canoes taking up space in your garage or storage unit - donate them to the Club. The goal is to make them available to club members for use in the harbor or at the islands. (More on that later). But before we can do that we need to have some to use. Please make sure that they are in working condition and come with the needed equipment.
