## Message From The Commodore Thomas Warden

On April 26 through April 28, the **cruise to Smugglers** took place with eight vessels and 22 people from CIYC. **Cindy Crocket** was our cruise director on this excursion. One of the highlights of the weekend was the **Pirate's Tale contest**. Each boat was **given a list of pirate terms to be** used in a "story". The winner was **LeeAnne Clark** on "Juliet". The contest essays were presented on **Tim Smith's** boat "Bother Me Tomorrow". The following is the **winning prose**:

### The Black-Spotted Buccaneer

This be the story of a pair of Jack Tars  
By the name of LeeAnne & Charlie  
The crustiest old salt and scurviest wench  
The seas ever did see

On their ship Juliet, to the islands they sailed  
For a party with their yacht club  
Buckos, landlubbers, lads & lassies galore  
With plenty of good grog & grub

"Avast ye!" Charlie cried to his wench  
"I'd love to drop my anchor in your lagoon!"  
"Hold yer mizzen, ya scurvy dog," she cried back  
"There'll be none of that till the light of the moon."

"Drop the sails! We're at Smugglers!" he yelled  
But his wench was too busy to hear  
Turns out, along the way someone had snuck aboard  
It was a black-spotted buccaneer!

Cap'n Charlie could not believe what he saw  
Going on down below  
"Ya hornswaggle wench!" he cried out to his mate  
"I'll hang him from the yardarm, and down he will blow!"

"Oh shiver me timbers," she cried back to him  
"It's naught but our foul blaggart Tom Warden  
And it ain't me he be jonesin' for  
It's Juliet he be thinkin' a hoardin'!"

"Well blimey! I'll cleave him to the brisket!" the cap'n shouted  
"On second thought, lefs keel haul his arse  
Then we'll scuttle his corpse for the fishes to eat  
And end this boat-thievin' farce."

"Heave ho!" they both cried, and off Tom went  
On his journey to Davey Jane's Locker  
"If that scalawag thought we'd let Juliet go  
He's off his buccaneer rocker!"

"Crack open the rum! Splice the main brace!  
That bucko is over the rails!  
And we can now party to our heart's content  
Because dead men tell no tales."

**Smugglers' Cruise**  
April 26 - 28  
**Pirate's Tale Contest**  
Winner - LeeAnne Clark

Our Special thanks to **Les Hardwick** and **Mary Foster** for fixing our flag pole, mast and lines.

We have **10** more cruises this year! Cruising provides a unique bonding of our members.

**Go cruising with CIYC!**

## Message From Keith Moore The Vice-Commodore

CIYC members have accumulated old and tattered **American Flags**, and don't know what to do with them.

**Flag Retirement  
May 5th**

After placing a note in our newsletter, many members brought their old flags to the club.

CIYC invited Boy Scout Troup 228 to meet at the club and conduct a proper **Flag Retirement** service.

It was rather interesting to note the formality that goes with this ceremony, and I hope we plan to do this next year with the participation of our members who were Boy Scouts, Girl Scouts, Campfire Girls, and have had the Scouting experience to be involved.

Afterwards, we set up the BBQ, served the Troop hot dogs, and had a nice visit with them.

Our thanks go to **Gary Johnson** and his family and crew for preparing the authentic homemade Mexican dishes for the **Cinco de Mayo Dinner Social**. The **Mother's Day Brunch** was a well attended event to honor our mothers. And the **Epicureans dinner** and **wine sampling table** was fun. It was a good month!

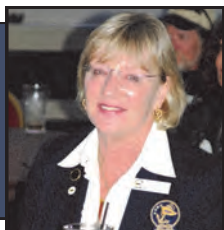

Call any time with your suggestions.

**See you On Deck**

**Keith**

## Message From The Rear Commodore Jane Thomas

At the end of April, **Harry Krum** and the **Krum Crew** on **FUSÉE** won the Beneteau class in the **Newport to Ensenada Race (April 26-28)**. Be sure to congratulate them!

While they were racing, the **CIYC Cruisers** – led by **Cindy Crocket** and **Dann Daggett** – went to Yellowbanks Anchorage. Seven boatloads of members (***CABANA GIRL, BOTHER ME TOMORROW, JOY SEA, BLUE MAST, SUNDANCER, JULIET, and SUNGLADE***) enjoyed the special planning, welcome basket, games, and party led by Cindy and hosted by Tim Smith on ***BOTHER ME TOMORROW*** on Saturday afternoon.

The month of May saw our **Cinco de Mayo Social** – great Mexican food, thanks to Gary Johnson and crew, and great entertainment by **Theresa Russell**!

Due to expected heavy weather at the islands over Memorial Day weekend, the All-Club Mega Cruise planned for Prisoner's Cove has been relocated to the docks in front of our club for the CIYC faction. Cindy and Dann really know how to turn the disappointment of not going out to the Island into a fun weekend on the boat with other club cruisers and all the conveniences of being at the dock!

June starts with the **Bob Cooke Memorial**, Double-Handed Race (only 2 people on the boat) on June 1. Bob was a member of CIYC and an avid racer. His grandson, Brent Swanson, is still a member of CIYC and continues to race Bob's boat, **VELERO**.

**June 15-16** will be a full weekend with the **CI Harbor Marina Fest** and **car show**, as well as CIYC's **Father's Day dinner and Open House**. The CIYC members of the Marina Fest committee are looking for volunteers for Saturday and/or Sunday to help out with hospitality at the booth and at the club, as well as water transportation from the Marina Fest docks to CIYC. If you are able to help, contact **Mary Foster** or **Keith Moore**. If not, just come and have a good time. Lots of food and entertainment are also planned. This is a great opportunity to show potential new members how much fun we have at CIYC!

The fourth weekend (**June 22-23**) aligns with the **Summer Solstice**, an annual astrological event marking the longest day of the year. "**Midsummer**", as the period around the solstice is called, is celebrated in many cultures and is second only to Christmas (Winter Solstice) in high northern latitudes like Scandinavia and the Baltics. Always ready to celebrate, CIYC will host a weekend full of fun activities, including water events with kayaks, electric boats, or other watercraft, and land-based activities, food, and music. Watch your email and CIYC on Facebook for more details...

But that's not all that's going on in June! We finish off the month with the **Channel Islands to Marina del Rey race**. This race was initiated in the '80s by Paul Hatcher et al and the **Santa Monica Windjammers Yacht Club**. Great concept for a racing/cruising weekend: their members cruise up, eat dinner, party, stay overnight, and eat breakfast at CIYC before the race. Our members: race down, eat dinner, party, stay overnight, and eat breakfast at SMWYC before cruising home (or on to the next regional race). **The pre-race dinner (Friday, June 28) and breakfast (Saturday, June 29) are open to racers and non-racers alike.**

See you on the water!

# Anglers' Corner

By Frank Sullivan

The April big fish of the month was turned in by **Don Dickey**. it was a 2lb 11oz fresh water Bass caught at Casitas Lake. Don donated his \$50 prize back to the Anglers White Sea Bass grow-out program. Thanks Don!

So far in May, the big fish is a 14.8 lb. Barracuda caught by **Gary Johnson** while on Skip Miser's Dawn Patrol early in the month.

Because of Small Craft Warnings and sloppy conditions the **Lady Anglers' Tourney** had to be postponed and will probably take place June 9th instead.

Don's Bass

**"Big Fish of the Month"**  
\$50 prize  
is awarded at the end of every month...however, you can only win once per year. Legal fin fish only and no sharks.

**"Big Fish of the Year"**  
At the end of the year there will be a Big Fish of the Year award for \$100.00. it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

Gary's Barracuda

## WSB Pen Report:

The new predator net and containment nets have been delivered. We are negotiating to get a new roof system to protect from bird depredation. Think of the arched covers that are used in the berry fields around us. It should work like that. We expect to receive the fish in Mid-June.

Please thank: **Don & Denise Dickey, Charlie Ferrell, Zoran & Erika Barbaric, John & Rose Hazeltine, Frank & Sharon Sullivan, Everett Babbe, Skip Miser, and Opal Gilpin** for making donations to the project. We could use a few more donors' bucks to finish the rehabilitation of the facility.

## Upcoming events:

June 9 <sup>th</sup>	Ladies Fishing Tourney (rescheduled)
June 22 <sup>nd</sup>	Men's Fishing Tourney
Sept. 6 <sup>th</sup>	CI Billfish Kickoff Dinner
Sept. 7-11 <sup>th</sup>	CI Billfish Tournament

## Message From Channel Islanders First Mate Mary Ann Moore

**Hello Islanders',**

What a great **THINGS REMEMBERED, musical revue** we had. We want to thank the following people who headed up the teams that made the great show possible ....**Barbara Brauns-Producer, Larry Stein-Director, Jack Borkowski-Set Designer, Vera Cline** – for the Cuisine, yours truly-Executive Producer, and their teams.

We also want to thank all of the **actors, singers, dancers, musicians, tech crew** and of course we cannot forget the audience-----**YOU**---for making this a great success! Hope to see you all next year!!!!

Our tour of the **Maritime Museum** was very special.....this tour was put together with the help of **John and Rose Hazeltine**. Do you know how the seascape-style painting started ....do you know when sea battle painting scenes started....do you know what country had the largest fleet in the world in the 14<sup>th</sup> century..... well, if you went on the tour you would have those answers. So you need to take the tour...if I tell you the answers I will spoil your adventure!!!!!!

Of course, we cannot forget **Bob Little** who taught us how to put a ship in a bottle.....not a small feat!!! We really enjoyed the tour.

This month we will be needing help with the **FATHER'S DAY DINNER** on **Saturday, June 15**, and the **CHUCK WAGON BRUNCH**, **Sunday, June 30** .....So step up to the "plate" and have fun with us sharing a good time with our club members.

I would like to wish you all a **Happy Flag Day**.....and yes we wish all the men in your lives a **HAPPY FATHER'S DAY!**

**Be safe on land, air and sea,**

**Mary Ann (All Day All Night) Moore**

## Doc Lines

In an earlier Doc Lines, I reported the following: “Too much caffeine used to be considered unhealthy, but a study of almost half a million older people found that the more coffee consumed, the less likely people were to die from heart and respiratory diseases, stroke, injuries, accidents, diabetes and infections. Up to 10 to 15 percent less. Just why this happens is still unknown.” (from the National Cancer Institute)

### **MORE ON COFFEE**

A study from Japan involving 84,000 people found that enjoying a cup of coffee daily was associated with a decreased risk of stroke by a whopping 20 per cent, compared to those who shunned the drink. Interestingly, green tea had a similar association, although through a different pharmaceutical pathway. Having a cup of coffee and several cups of green tea may have an additive effect. The researchers could not establish whether it was the coffee that caused the lower risk, but there was definitely a link. (Am Heart Journal Assoc – Stroke)

A study from the University of Lund, Sweden, observed that patients who are on the drug Tamoxifen after breast cancer surgery will cut their recurrence rate in half if they drink 2-3 cups of coffee daily. Many breast cancers grow under the influence of estrogen. Tamoxifen works by fitting into estrogen receptors and blocking the hormone from reaching the tumor cells. How coffee augments the Tamoxifen effect is not yet known.

1) Surgery + Tamoxifen: Recurrence Rate = n

2) Surgery + Tamoxifen + Coffee: Recurrence Rate = n/2

From Brooke Army Medical Center, San Antonio: Increased coffee intake in patients with non-alcoholic steatohepatitis (fatty liver) decreases the risk of hepatic fibrosis (cirrhosis). This form of liver disease is on the rise over the past 20 years due to increased rates of diabetes and obesity. As a cause of cirrhosis, fatty liver surpasses hepatitis A and C, combined. This study found that coffee consumption decreases the risk of advanced fibrosis.

From Annals of Oncology: Drinking coffee every day can cut a man’s risk of prostate cancer by almost 20 per cent. But one has to gulp down six cups a day. One theory is that coffee may boost a protein called adiponectin, which has been shown to have powerful anti-cancer properties.

From the Brits: “When caffeine is consumed in moderation by the majority of the population, there are unlikely to be many negative side effects”. (Center for Occupational and Health Psychology; Cardiff University, UK)

And then this from the US government (from The Hill): An FDA official calls caffeinated food ‘very disturbing to us.’ Adding caffeine to snacks from jellybeans to waffles to “energy drinks” is very disturbing to regulators.

Existing rules never anticipated the current proliferation of caffeinated products. Also mixing caffeinated “energy drinks” with alcohol, especially by minors, is a concern. The FDA has previously advised that 600 milligrams of coffee (4-7 cups) can cause jitteriness and heightened blood pressure. Overdosing on caffeine can be fatal. **Common sense should prevail!**

**Comment:** Believe it or not, I don’t own any coffee stocks. Coffee looks like a cure for everything except hangnails. Probably you should not go beyond moderate to medium coffee consumption, and you should always consult your personal doc.
