## Message From The Commodore Larry Golkin

It is now November and your new Bridge and Board has been elected. In December, we will change the watch and these folks will be ready to take the helm January 1. I wish the new Board and Bridge the best of luck for our upcoming 50<sup>th</sup> year.

As many of you know, Brenda and I have been cruising quite extensively this season. We have made trips to Santa Rosa Island, Santa Barbara Island, Catalina Island, Dana Point, Newport Harbor, and many, many points in between. We have met many friends and have had some wonderful times. We have seen so many beautiful and wonderful sights – sunsets, sunrises, storms, and tranquil days. One of the highlights of the cruising season has been meeting other CIYC friends on the water. Starting with a huge 4<sup>th</sup> of July get together at Yellow Banks and ending with another very successful get together at Catalina for Buccaneer Days, the time we spent with our cruising friends at CIYC has been warm and delightful. Buccaneer Days was especially fun.

Two boats, including our own, left Channel Islands Harbor at 11:00 p.m. and made what can only be described as an “exquisite” night passage. The seas were calm, the winds were calm, and there was a nearly full moon. There are few things in the world as extraordinary as seeing dolphin in the wake under a full moon – the bow wake looks like bright green lace pouring off the front of the boat with the phosphorescent comet-like trails left behind by the dolphin. Abreojos slipped quietly through the night followed not far behind by Harry Krum and his crew aboard Fusee. Harry brought Bunny, Curt Ingram and Mary Howard. We talked on the radio throughout the night checking up on one another until we made landfall at sunrise. A perfect passage.

On Friday, October 2, we were joined by Dave and Sandra Lochridge who came across on the big boat. They arrived just in time to enjoy the big barbeque at the “palapa” at Cat Harbor. Bunny made the world’s greatest skirt steaks; Sandra brought 15 lbs of marinated chicken; our friends Dave and Kim aboard “Sumfun” brought potato salad good enough to want to cozy up with in front of a fire; our friends Bonnie and Curtis aboard “Once Upon A Tide” brought Bonnie’s famous pasta salad. There was enough food and drink for twice our numbers, but it all disappeared. What a great night.

On Saturday, October 3, we all packed into town dressed as pirates to celebrate Buccaneer Days. The crowd was lighter this year than last, but there were still more than 3000 pirates and wenches partying from dusk to dawn. Our group grabbed a bunch of tables outside the fence and had our own barbeque and bar where we could hang out and watch the mêlée. Even in the giant crowd, we bumped into and partied with George and Adele aboard Adele Marie. George and Adele were costumed to the max. The party went on all night, but our crew packed up its coolers and headed back to Cat at around midnight.

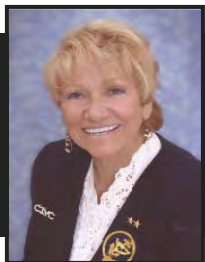

On Sunday, October 4, the wind began to blow. It blew so hard that day that the Catalina Express Boats that were to come and bring so many folks home were harbor-bound, thus stranding hundreds, including Dave and Sandra, on the island. So there we were, all of us sitting in the bar wondering if the cancellations were true. After a while, Curtis suggested it was silly to sit here spending \$7.50 per drink and that we should all pack up and head out to their boat. So we did. We had a wonderful evening aboard “Once Upon A Tide.” We ate lots of lobster, marinated beef, and other wonderful treats. We partied until rather late that night and played some really fun games. Monday, the boats began running again, and it was time for everyone to go home. Abreojos lost Dave and Sandra, but stayed for another several days until departing for Dana Point.

Cruising is such a wonderful part of life. Cruising with friends makes it even more fun. Cruising with fellow club members, however, is what being part of a yacht club is all about.

**Be well.**

**Commodore Larry**

## Message From The Vice Commodore Mary Foster

**Your racing team is still out there winning for CIYC:** Tim Haapanen is still holding second place overall for 2009 with more races to go.

**The Anglers:** what a record, we are still bragging about CIYC tagging "8 Marlin" at the Billfish Tournament.

**Cruiser Navigation:** 2009 (40th Annual) A.A. Oakley Trophy winner Frank Sullivan.

**Cruisers:** get ready for the annual trek to Santa Barbara contact **George O'Neill**, Cruising director for 2009, at **(805) 444-4665** or **Sherry Brisbane** at **(805) 551-8887**. **Dates:** November 13, 14 and 15.

**Anglers:** How many marlins?

**TGIF:** The racing stewards keep the CIYC track in perfect order.

**Dinghy Brunches:** If you missed any you missed fun, games, music and food.

## Message From The Rear Commodore Georgie Olsen

Great Gatsby,

I'm writing my November Article and can't believe how the year has gracefully disappeared. Soon I'll be writing my last one as your Rear Commodore. It has been quite a trip. Everyone should do it once in their life. Ha Ha. All the great people (my team) have worked so hard to keep your house away from home in ship shape. Hope you all love the changes as I do.

By now all the pictures are in their proper places and just a few moments to say thanks so very much to Wendell Morrisset, Woody Underwood, Frank Sullivan, and a special thanks to MY FAVORITE house captain Dick Olsen. You guys did a wonderful and beautiful job. You have been my rock at every turn. There are so many members that have made my job a little easier. A special thanks to Rita De Caussian for making the lovely curtain in the ladies room as well as the cushions. Your work was very greatly appreciated and will be enjoyed for many years.

The Wednesday and Saturday Dinners have been spectacular and kudos to both Jack and Joyce. Truly, I wish I could cook like you guys. But not to leave anyone out, all the helpers you have had get some pats on the back as well.

You know our busy season is close at hand and we have every day it seems, filled with something wonderful to do. Be aware of your house and help when you can by picking up after yourselves, or pitching in to help along the way. We have parties and decorating to be done in abundance. So pitch in and offer a hand or suggestions.

We have the greatest family away from our own so lets make this holiday season the best we have ever had at Channel Islands Yacht Club.

Want to take a moment to thank our Sharon Sullivan and her crew (Ellie, Sylvia, Kitty, Sue W., Mary Howard, and so many that maybe I've neglected). Please forgive me, as I'm not always there to keep a list, just know you all deserve a big hand as we walk in on Saturdays and the tables all look so great. Some Restaurant ( ya think.) It doesn't just magically happen. There is so much work that goes on behind the scenes to make our home away from home so special. So take a moment to say Thank you if you know someone has done something extra. Believe me it goes a long way to boost a person when they are thanked.

I know you will have had a wonderful Halloween Social and a fun evening and big thanks to Joyce for making it happen.

Also want to take this opportunity to say thank you to all who have had faith in me and have allowed me to stay on this board for another 2 years. Will continue to give you the best I can.

May the Powers that be guide you always and keep you safe.

**Respectfully**

**Georgie Olsen,**

**Rear Commodore 09**

**Remember Ship Shape on November 21st at 9:00. We all need to help get the club ready for the holidays. See you on the 21st.**

## Channel Islanders Georgie Olsen

### Well Darlins,

The year has gone to quickly. Wearing so many hats was a lot of fun. You all made my year.

As you are all aware our 3 fundraisers this year were such a wonderful success. Father's Day, The Attic Boutique, and Casino Night have surpassed all our expectations. The Attic Boutique was such a wonderful way to clean out our closets, as well as sell things, and bring some happiness to ladies that otherwise could not afford to purchase such nice things. There is no greater joy than to do for those that can't do for themselves. In these hard times any help is greatly appreciated. Daphne and Francene did a superb job of putting together all the clothing, shoes, purses, and jewelry. The hours that it took were many. We are all so proud of you both. Joyce did a wonderful job with the Casino Night for the Islanders. All you helpers out there get a big Thank You also. These functions would not be so successful without all of your hard work.

We will have a board meeting on the 5th of November but no meeting in Nov. We will be starting to decorate for Christmas on the 30th, so mark your calendars and come and join in the fun. We will begin at 10:00AM usually it takes only 2-3 days to get it done for the Tree Lighting Pot Luck and Santa Night on the 4th of December.

Don't forget that on the 5th we have Awards night and Change of Watch. Get out your lovely dresses ladies and come and share a wonderful evening with the new Board of Directors.

Thank you to all that made this year a blessed and happy one as well as the Outgoing directors and welcoming the new ones in. Please sign up to share this special evening.

### **Our new slate of Officer for the Year 2010 for the Islanders are as fellows:**

**First Mate:** Daphne Hetherington

**Second Mate:** Francene Thomas

**Recording Yeoman:** Sharon Sullivan

**Corresponding Yeoman:** Doris Nicholas

**Purser:** Ellie Bishop

Thank all of you for stepping up to fill these positions I for one know you all will do a wonderful job. Good Luck and may our special protector watch over all of you in the Islanders as well as everyone reading this article.

**Respectfully, Georgie Olsen First Mate 09**

## HOSPITALITY REPORT

As we go into the Holiday season, please take a moment to say a prayer for those who are in a transition period in their lives. Our good friend **Mary Sensabaugh** and her family needs your support and caring thoughts at this time, after Brent's recent passing.

**Ellie Bishop** also needs your prayers as she recuperates from her recent accident and surgery. We all know Ellie will be back with her wonderful sense of humor and dedication to the club as early as possible. We all miss you Ellie.

Some wonderful news to share is the engagement of **Ed Staples and Annette Alexander**. They continue on with their journey exploring a new life and adventures that some of us only dream about. Congratulations and may gentle winds and calm seas guide you.

Also congratulations go out to **Bill and Tina Brayton** on their recent marriage. It took a wonderful woman like Tina to finally settle Bill down. They will be sharing exciting adventures on the water together.

Please remember to say hello and get to know our new members. They are an important part of our future. CIYC remains the friendliest Yacht club on the water so let's keep smiling and letting everyone know how strong our club is as it continues to grow. Have a great Holiday season and be safe.

## Angler's Corner Frank Sullivan

Anglers' Corner November 09

It has been a slow October for CIYC Anglers. I did get this one report from Don Lehman:

**Hi Frank**

**I know this will not qualify for biggest fish contest, but I thought you might like it. I caught this leopard shark and fishing pole on a 35 pound delta hook, 5/16" 100' chain leader and 5/8" 250' three-strand nylon line. The shark was still alive, so we released it after the photos.**

**The pole is on the boat now. The tip of the pole broke off when it went thru the roller. I cleaned the reel with fresh water and will try it when I get back to the boat. I think the pole was only in the water over night. Late Saturday afternoon a couple of power boat came in, cast a couple of lines in and then went to the beach. Later we saw them going around in their dinghy looking at the water.**

**Enjoy**

**Don**

So far no one has turned in a fish for the October Big Fish of the Month.

**Upcoming events:**

**November 21<sup>st</sup> – Anglers Scampi Dinner**

### **"Big Fish of the Month"**

#### \$50 prize

is awarded at the end of every month...however, you can only win once per year. Legal fin fish only and no sharks.

### **"Big Fish of the Year"**

At the end of the year there will be a Big Fish of the Year award for \$100.00. it does not have to be one of the monthly winners, it can be a tournament fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

## As I Remember----Sea to the Mountains Historian

**Beach Parties and Skiing Trips**----Other activities enjoyed as part of the CIYC experience in addition to Golf, Dingy Parties, Casino Trips, Rodeos, etc have included Beach Parties And Snow Skiing Trips. These events have also been lots of fun.

Some **Beach Party** activates that stand out in my memory was one featured the music of Buster Walea from the second story Balcony of the hosts Beach Home, which attracted many other beach-goers in addition to the CIYC group. Beach games were played such as volleyball and other sand games as well as a conga line winding thru the sand. The menu at this event consisted of Hot Dogs, Hamburgers and Chili, including all the Beer, Wine and Vodka drinks for a **total price of \$7.00 dollars**. There was one complaint that the price was too much, other than that it was a great Sunday afternoon. Another party featured a "Dunk Tank" in addition to the beach games and food and drink. Several members experienced a dip in the Tank's water on a warm beach day, fun was had by all.

**Ski Trips** were made to several locations by CIYC members like Squaw Valley, Mammoth Mountain and others. Members traveled by private auto and commercial air. At least one couple traveled by their own aircraft. These outings always provided for a great time and proved that CIYC members could party far away from sea level.
