Message From The Commodore Vidar Bech

2016

Since CIYC is the oldest Yacht Club in the Channel Islands Harbor, we can all be proud of our 56 years in existence. With this in mind, it is important that we give full support to our Club so the self-help concept can continue.

I am looking forward to working closely with our new bridge: **VC Sheldon Berger, RC Penny Lipp** and the refreshed Board of Directors. We have many issues we need to solve this year, so it is important that we work together and solve the problems in the best interest of the club. Also, a big "Thank You" to those that have agreed to serve on a Committee. These are the members that make our club work.

To all members: Let us know if you have any good and constructive ideas that can make our club better, so we can grow and continue to prosper. Please check the weekly email calendar of events, then participate!!

Thanks to the outgoing Commodore, Rear Commodore and Board members for all their hard work.

Looking back, I would like to thank all of the December Wednesday night cooks :

Dec. 2nd **Bob Ridenour** and **Jairo** with crew

Dec. 9th **Nancy** and **Shelly Berger**

Dec 16th **Carter Gage** and the **Kitty** group

Dec 23rd **Diane Sabol** and crew, made a special soup night.

On Dec. 11 **Olga Falzone-Siefke** made Coney Island style hot dogs in honor of Frank Sinatra, 100 years since his birth.

Dec. 12th Our Parade Boat did great and many members came to the club to watch the Parade and enjoy "The Famous Green Chili" prepared by **David** and **Sharon Matthews**. **Clydia Richardson**, friend of **Lana Lynch**, helped out with her chili.

Once again the **Islanders** did a beautiful decorating job of our Club and their Jingle Bell lunch was just fantastic. A big hand to all that made that happen. I think we had too much to eat at the luncheon.

Jack Borkowski was kind enough to do a Christmas Day Potluck since most of us had family plans and I am sure that will be an enjoyable dinner.

The CB's decided to cancel their dinner here this year, but the Coast Guard had theirs on the 19th.

And then the transition from 2015 to 2016 - New Years Eve. Thank You, **Mary Ann Moore** and **Sharon Sullivan** for putting on a great party. I am sure it will be a fantastic night with Susan Rey doing her magic; it is amazing how one person can make it sound like a whole band.

Let us all make 2016 a great year!!

With this I wish you all a Healthy and Prosperous New Year.

Vidar,

Your Commodore

Message From
The Vice-Commodore
Sheldon Berger

Hello All

I wish all of our membership and their families a very healthy and prosperous 2016.

As the new Vice Commodore of CIYC, I am ready to be working on necessary improvements of our kitchen and facility. Our club is very dependent on the meals that are served, not only to our membership but their invited guests as well. We always need to be in full compliance with all health and safety regulations and then some. Bill Crier has agreed to be the House Captain for a second term and I am confident that his work ethics and military background will keep our food facility “ship-shape.” We need to add some improvements to our kitchen and the tools that we use to prepare our meals. I will be working with our new Treasurer Clark Owens on setting up a projected budget for such improvements.

And speaking of our meals...I will be in charge of arranging for the Wednesday Night Dinner cooking crews. Volunteers are always welcome; but should I call on you to help, please try to be part of this very important meal program. I will be posting a volunteer sheet on the bulletin board. We have so much talent in our organization, it needs to be shared. We are going to try and have the third Wednesday of the month as our “game night” after the dinner. My wife Nancy will be my not-so-silent partner with the kitchen crew volunteers, and I am happy that she will be working with me.

Additional volunteers this year include Connie Calo for Birthday Bash, Jerry Wood for Open House events, Sharon Sullivan for outside reservations and place settings, Elyse Gonnello will manage Yachting attire and store sales, Vera Cline for Epicureans and Nancy Berger with Joyce Sheridan and Barbara Brauns for social events. All members are encouraged to help with all of these great crews!

Thanks to all for your constant words of support and encouragement, and I look forward to a great 2016 at CIYC.

Sheldon Berger, 2016 Vice Commodore

Welcome All Islanders & CIYC Members to 2016; it will be a HAPPY New Year!

Thank you to Joyce Sheridan for nominating me as First Mate! I was thoroughly blindsided and honored at the same time. I appreciate everyone's encouragement and willingness to help me be successful this year since.... I did skip the Second Mate role and education into the Channel Islanders.

First and foremost, a great big THANK YOU to so many people that helped make the preparations for the Holidays so special. I'm so sorry to say, I was in Minnesota and missed all the fun☺ I heard the events were overwhelmingly successful and the club looks fabulous!

Tree Decorating & Tree Lighting Pot Luck: Shelly Johnson, Melody & Bill Crier, Vera & Bill Cline, Mary Ann & Keith Moore, Frank & Sharon Sullivan, Don & Denise Dickey, Graham Paine, Erika Barbaric, Olga Siefke, Elyse Gonnello, Renee Harryman, Eleanor Hovaten, Sherie Ireland, Annie Landry, Linda McCulley, Carol Naylor, Laurie Preston. Joyce Sheridan made homemade Turkey Noodle Soup to share with the decorators on Saturday.

Jingle Bell Brunch: Erika Barbaric, Marnie & Vidar Bech, Barbara Brauns, Jack Borkowski, Vera & Bill Cline, Olga Siefke, Elyse Gonnello, Renee Harryman, Eleanor Hovaten, Annie Landry, Keith & Mary Ann Moore, Graham Paine, Skip & Laurie Preston, Bev & John Richardson, Clark Owen & Joyce Sheridan, Frank & Sharon Sullivan, Jane & Dennis Van Daalwyk.

Anglers' Corner - January 2016

By Frank Sullivan

Angler's dues of \$10 for the 2016 fishing season are now due. Please send in your Anglers' dues with your regular club dues billing. If you forgot and sent the dues in without the anglers' dues, you can provide a SEPARATE check made out to "Channel Islands Yacht Club" and put Anglers' Dues in the memo section of the check then send or bring it to the Club.

We intend for this to be an exciting and fun-filled year. If you are a current member, you know the drill; but for those of you who are new and may want to join in the fun, here are the details:

For only ten bucks, you will have a distinctive looking fish next to your name in the CIYC roster, participate in the Club's Tournaments, and be eligible for the **\$50 Big Fish of the Month Award**, as well as the **\$100 Big Fish of the Year Award**.

Many months go by when no, or few, fish are weighed in which means that the ¼ lb. mackerel may be worth \$50, so weigh him in! An Angler can only win the monthly prize once a year, so we should have 12 different winners.

In the past, Anglers' Club funds have been used for projects around the Yacht Club for the betterment of our fishing experience and to support the White Seabass grow-out pens in the harbor. Last year we paid for part of the new Christmas tree. We also raised and spent funds to refurbish the WSB, pens including a new shed to store fish feed. We also paid for the permits for the Veterans' Sail Day event.

As always, I am soliciting ideas from the members on how to improve the services of the Anglers' Club. We will again have an In-Harbor fishing tournament, Ladies Fishing Tournament and Men's Fishing Tournament. Let me know if you have any ideas to improve your Anglers' Club experience.

If you wish to join this elite group, please respond by January 31st so we can put the fish logo by your name in the CIYC Roster.

WSB grow-out pen update:

We currently have 4000 White Sea Bass in the grow-out pens and they are doing nicely. They will be kept only a short time and then released. A larger group will then be stocked to and held from April to August.

Doc Lines

Happy 2016

First, I thank Jim Lee, the Fleet Surgeon for 2015, for an excellent job and thoughtful articles published in “Currents” during his tenure. They were all well received. He is a really outstanding member of this club.

Second, nobody won the \$50 gift certificate offered to the first club member to discover an intentional mistake published in my last *Doc Lines*. Possible explanations are: a) nobody read the article, b) members are too wealthy to care about such a measly reward, or c) there is a general lack of knowledge regarding human physiology.

The intentional mistake introduced in the graph was the sentence: Glucose “burns” and gives energy for *all* cells. There is one exception: The little spermatocytes “burn” *fructose*, as they frantically wiggle their little tails in their race to reach the ovum first. The small, paired organs called seminal vesicles produce fructose. Remember the blue dress? The first test was for the presence of fructose. It was positive, and you know the rest of the story.

Blueberries and Beet Root

There was a recent double-blind study in which two matched groups of post-menopausal women were studied. Over an eight-week period, the first group received a placebo, while the second was given powdered blueberries equivalent to one cup of fresh blueberries a day. All of the women had been diagnosed with pre- and stage -1 hypertension.

Results at the end of eight weeks in the blueberry group showed an average decrease in systolic blood pressure of 5.1%, decrease in diastolic blood pressure of 6.3%, and a 6.5% reduction of arterial stiffness. Additionally, there was a 68.5% increase in serum nitric oxide, which helps relax the blood vessels.

There were no changes in any of these parameters in the placebo group.

Similar findings are associated with beet root which is now also available in powdered form.

Eat more blueberries and beet root and less sugar! Good health to you!

Your Fleet Surgeon, Zoran

Thanks to Erika for editing.

HOW IT BEGAN

This is some of the information about how CIYC was started. Carole Olin (Past Commodore 1991) kept some articles on how the formation of Channel Islands Yacht Club was created.

In November, 1959, a letter from the Oxnard Harbor District was sent to H. Catlin (CIYC First Commodore 1960-1961) R. McKeehan (Commodore 1962) M. Williams, W. Yung, W. Yung Jr., C. Ruyle, H. Hess (Commodore 1964), J. Donlon (Commodore 1973), D. Hand, R. Farrel, W. Diener (Commodore 1963), H. Blatt, R. Frank, and W. Lawrance. The letter was regarding the prospect of the Ventura County Small Craft Harbor being completed shortly and it might be advantages for boat owners and other interested to meet with the purpose of exchanging ideas as to the feasibility of perhaps forming an organization that would be qualified to lease a portion of the new harbor. This meeting was held on November 24, 1959, in the Administration Building of the Oxnard Harbor District, Dock 1 Port Hueneme CA.

At this meeting, Mr. Catlin was elected Chairman. A general discussion was held on the formation of a club, requirements and comparisons of clubs in other Ports, and whether the Ventura County Board of Supervisors would consider the group in granting space for a club house. Names were mentioned for the proposed club if formed and suggested names were Channel Island Yacht Club, Anacapa Yacht Club and Cabrillo Yacht Club. A motion was made that a Yacht Club in the Ventura County Small Craft Harbor be formed and that a Five-Man Committee will organize and study all the details required to set up the proposed club.

Mr. Catlin ordered that the information gathered by the Committee be available for a meeting to be held on December 8, 1959. He further requested that members present bring others that are interested in this organization to the next meeting. Mr. McKeehan suggested that a donation be made by the members present for a petty cash fund, to be used for miscellaneous supplies such as postage, stationary etc. A fund totaling \$14.00 was received.

On December 8, 1959 the next meeting was held at the same location. The name for the club was discussed and voted on with the following results:

Channel Island Yacht Club----9 votes

Anacapa Yacht Club-----6 votes

The chairman declared the name of the Club to be "Channel Island Yacht Club".

The members nominated and elected Nine Directors, a Club Attorney and a By-law Committee. Channel Island Yacht Club was Incorporated on January 12, 1960 with the primary purpose to assist in promoting better boating facilities in Ventura County.

Interesting Fact: The Dues for CIYC in 1960 were \$9.00.

Interesting Fact: The spelling for the club was changed at a later date to "Channel Islands Yacht Club".

In July of 1962, CIYC entered into an agreement with the County of Ventura and was assigned a mooring area (for approximately 40 boats) in the Ventura County Small Craft Harbor. The moorings were to be on a temporary basis and must be removed if and when permanent slips were available. The club issued mooring permits and collected mooring fees for the County.

Interesting Fact: CIYC had 162 boating members in 1962.

Hope the Season brought you much happiness and that all your wishes came true. I'm sure we were blessed with too much food, drink, laughter, smiles, kisses and hugs.

We are now venturing into a New Year. With that said, you will soon be attending "The Change of Watch" ceremony. This is the time when we install our New Board and Bridge and say **Thank You** to the outgoing Bridge for all of their hard work this past year.

There are three times each year that we set aside for "special attire" as a request, *NOT* a demand: "The Change of Watch", "Opening Day" and "New Years' Eve".

"The Change of Watch": Male club members dress in their Club Attire, Blue Blazer and Gray Slacks, if possible. Ladies dress in Semi-Formal dress, as this is a very special evening.

"Opening Day": Club attire is required by all club members. The season begins in March with opening ceremonies down South. Our Opening Day is usually the first Sunday in April. {This, however, is subject to the Calendar.} If you are a new member, please ask someone where to get a Blue Blazer and a *Bullion* to be worn over your left Blazer lapel. White slacks or skirts are required.

"New Years Eve": This is, for the most part, Formal or Semi-Formal.

None of these dress requests are set in stone, however, we try to keep some of the "Old Traditions" of our Yacht Club. Not everyone feels comfortable in anything other than casual and this we all understand; but, do try to set aside these **Three** occasions with respect for "Tradition".

May the "*Powers that Be*" keep you all safe at CIYC.

Georgie

“ Issues Impacting Harbor Safety and Community ”

El Niño– What to Expect and How to Prepare

At a meeting held by Ventura County, Eric Boldt, a meteorologist, forecasted as much as 30”+ of rain and anticipated 10-12 storms throughout the El Nino season. This situation can mean flooding, slides, and mud flows, service interruptions, and possible evacuations. The National Oceanic Atmospheric Administration (NOAA) estimates a 95% chance El Niño will continue through the Northern Hemisphere winter 2015-16 and gradually weaken in spring 2016.

Every El Nino is different and no one can be sure what to expect from this one. What is known is the water in the Eastern Pacific is especially warm this year and 2015 has been the hottest year on record worldwide. This situation can lead to more severe and extreme water weather conditions. Some climatologists predict this one could be the biggest in over 50 years.

The Harbor Department has not announced any specific preparation for El Nino nor has it provided any specific recommendations, however, in interviews with the Dock Master and the Vintage Marina Management, they recommend the following:

- 1) Winterize your boat; check all dock lines to be sure they are secure
- 2) Service bilge pumps and secure all hatches and windows
- 3) Store and tie down securely all dinghies and inflatables on racks
- 4) Leave nothing on docks to impede emergency services or that might blow off
- 5) Update and maintain your contact information with the Dock Master and the Marina so you can be reached in an emergency
- 6) Keep the Harbor Department Patrol numbers handy:
805-382-3000 for an emergency or 805-382-3007 for non-emergency
or Dock Master, Dan Ward, cell: 805-405-5510

According to Boating Safety of Pantaenius Yacht Insurance, here is what boaters can expect during El Nino:

- Lighter trade winds and sometimes no wind at all in the Northern Pacific
- Weather forecasts can be uncertain and change quickly
- Greater number of tropical cyclones and increased chance of hurricanes in the Eastern and Central Pacific
- Stronger, more frequent storms in Southern California, due to a shift in jet stream pattern
- More frequent thunderstorms and high winds (up to 50-60 knots) in the ITCZ (intertropical convergence zone).

cont'd on page 11

“ Issues Impacting Harbor Safety and Community ,” (cont’d from page 10)

When cruising in the Pacific during El Nino, it is recommended to:

- Check and re-check the weather forecasts before casting off
- Keep tuned to the NOAA broadcast and surf coastal weather websites for a full weather update at least every 12 hours
- Plan an alternate route in case adverse weather appears
- Pack extra provisions
- Use a weather routing service during El Nino season

For more information on weather, Rick Shema, a Certified Consulting Meteorologist based in Kailua, Hawaii can be contacted by phone at 1-800-254-2525 or at www.weatherguy.com

Why was The 50th Anniversary of the Harbor a non-event? Why was The Annual Dock Decorating Contest cancelled?

Despite the on-going rhetoric of attracting more visitors to our area in support of the local economy and businesses, opportunities appear to lack Harbor Management support and enthusiasm. 2015 was the 50th Anniversary of the Harbor. Was this something to be promoted and celebrated? Would decorating the docks for Christmas have made the harbor more inviting to visitors and enhanced the Harbor’s atmosphere?

Without support from Harbor Management, Vintage Marina had to sponsor its own dock decorating contest supported by Sea Fresh and Frank Laza. The contest was won by H Dock, second place went to I Dock. Prize money has been held for donation to Food Share’s March Matching Event, doubling the donation amount, a wonderful contribution to community residents in need.

Short Term Rentals, an upcoming Community Matter

With media websites such as Airbnb, vrbo.com, homeaway.com and others, short-term renting of homes and even boats in our community has been growing. This has raised concerns regarding this practice’s impact on our harbor community.

In fact, according to the Dock Master, there have been a couple of instances where boat owners have advertised on these websites the short-term renting of their boats to other parties. They have been asked to leave the Marina as this is not permitted by Marina rules. Marina Management regularly audits STR Websites to ensure this rule is being followed and enforced. More updates on this important community issue in February.

Feedback and suggestions are welcome, email aiurene@gmail.com
Thank you, Rene Aiu, Harbor Delegate for CIYC
