## Message From The Commodore Larry Golkin

This summer, CIYC is in full swing to bring you the most and best activities possible. There will be fine meals, dinghy parties, cruising, sailboat racing, and more. As a rule, each week we bring you

movies, bingo and bocce ball. Come and enjoy yourselves. The Club is open 6 nights a week for your pleasure. Come breathe a little.

At the June General Meeting, the **Nominating Committee** was formalized. The committee includes, **Sylvia Hyde, Tom Warden, Connie Calo, Bob Deyling and Barbara Brauns**. Their task is to select several persons from the membership to replace the outgoing members of the Board of Directors. For those of you who do not know, Director nominations may also be made from the floor at the August General Membership Meeting. So, if you have a candidate in mind, you may nominate them even if the Nominating Committee did not. It is simply possible that the Nominating Committee overlooked someone they were not terribly familiar with who is totally suited for the position. Then, you will vote at the September General Meeting.

Service on the Board of Directors means more than an identifiable name tag. It can be a lot of work. The Board meets monthly on a formal basis. However, it meets more often when it needs to. CIYC is a corporation and runs like a mid-sized business. The biggest difference is that this "business" does not have customers; it has members. This makes the operation of the club significantly different from many other business operations in several ways. First and foremost, whereas customers come to buy something or to eat, members come to enjoy themselves. Board members must be responsible to see that members enjoy themselves in what has oft been referred to as their "home away from home." In that regard, one of the principle responsibilities of the Board of Directors is the election of new members - the folks we invite into our home away from home.

Members of the Board need to be familiar with our club's By-Laws. Complicating this is the fact that the By-Laws are currently under revision, so whatever one thinks they know about the By-Laws now, may prove interesting when the new set is finally complete. (I mentioned to you previously that the By-Law Committee is working this out as I write this, but I do not have a definitive date for completion from the Committee). Members of the Board should also take it upon themselves to become familiar with not only yacht club traditions, but CIYC traditions. This is difficult as it seems every time you think you know about a few, more spring up. It seems our club has a tradition for almost everything. Board members should not be afraid to change things, but should be cognizant that, in a world of traditions, some things do not change quickly, and perhaps should not change at all. So, striking a balance between new business and old ways is sometimes complicated.

Members of the Board should be familiar with business and accounting. Our club is a small business with an operating budget of nearly \$300,000 per year in combined income and expense. It's no joke. Folks that are interested in running for the Board, or who you think you might nominate for the Board, had better understand that they will be spending someone else's money, and must do so conscientiously, with an eye towards fiscal conservatism in these difficult economic times. It's simply not enough to say, "go ahead and spend it." Board members must be capable of financial analysis. Things have changed in recent years and simply having been a member for a long time, is no longer a relevant criteria. You should select and elect people who have run businesses, either their own company, or who have been in some kind of executive level or administrative position. Again, love for your club is fine, but it does not necessarily help keep balanced books and it certainly does not fill the kitty. In that regard, in my opinion, some accounting background is a must, or at least the training, background, and experience to understand general principles of accounting and balance sheet analysis is crucial.

Once on the Board, these members will be tasked with running the club. The Board makes policy level decisions while the Bridge (Commodore, Vice Commodore and Rear Commodore) are essentially tasked with running the day-to-day operation of the club. So, while the Board does not necessarily involve daily management duties, it does establish the overall policies that govern daily management. Hopefully, the Bridge works well with the rest of the Board and good things evolve from the combined effort. The members of the Board serve a two year term.

Some of you, if you are new to the club and have not spent hours pouring over the By-Laws, may not realize that the Bridge come from the Board. In other words, to be a Bridge officer, you must be selected from the (not by the) Board of Directors. Once the Board is elected in September, then you will nominate and elect the Bridge. The Bridge is elected in October. The Bridge serves for one year starting January 1.

One learns a great deal about how the club runs when serving on the Board or Bridge. There is an awful lot to learn in a very short time. Nevertheless, the experience is rewarding. For me, there is nothing more rewarding than seeing a building full of folks having a good time and not even concerned with how it happened. For my part, I want the membership to take it for granted that there will be a meal every Wednesday night; that there will be hand towels in the restrooms; that there will be fun socials; that there will be a competitive sailing program; and, that there will be opportunities for cruisers. Perhaps even more than that, is the joy I experience when someone comes to me with an idea they want to try and then they get to experience the fun and happiness when their event goes off well - without any micromanagement whatsoever. Sometimes things blossom. Sometimes things merely sprout and then wither on the vine. But, it was attempted and that is what counts. Creativity is hard when you are trying to bring something to a club that has been in existence for 49 years. It is even more difficult when you consider that the membership we have is made up of so many motivated and creative people, some of whom have been part of CIYC for all or many of those years. Thus, the saying, "been there, done that." Yet, for those of you who have ideas, keep bringing them. It is always possible to do something that has not been done before, or in a long time.....and with a twist of your own.

In conclusion, our club faces many challenges in the future. Be very cognizant of this fact when you chose the next Board of Directors. For my part, I have been blessed with a very talented, hard working group of people who really want only what is in the best interests of the club. We may fight from time to time, and we may disagree. But, it is not personal. It is business, and we work things out in a fashion that benefits everyone, or at least, as many as we can. Chose wisely and vote. Voting is a privilege of Regular Membership. Please do not take it for granted.

**Commodore Larry**

## Message From The Rear Commodore Georgie Olsen

Again, I must say that time is moving so quickly!

YOU the membership have been so great this year--always helping out when asked and being there to give my House Captains and me a hand. This is just what a self- help club needs but we must ask for just a little more: **Ship-Shape on Saturday morning, July 13**, will need many of you to come give a hand. There are things that need doing every day and there are things that need attention once in awhile. Please help make this job a little lighter for all of us.

If any of you have suggestions how we can make things better, cleaner, and more profitable, I for one, would love to hear from you. If every member just took two turns during the year we would have complete coverage and a lot of wonderful meals! So, **PLEASE GIVE A HAND!** You'll have a lot of fun and glad you did!

**The 4th of July** is upon us! Plan to come and enjoy the 4th at CIYC—the best spot in the Channel Islands Harbor to see the fireworks. Sylvia and her crew will be preparing an old- fashion, traditional 4th that will include hot dogs, hamburgers, salads, corn- on- the cob, and watermelon! We can all ooh and aaah together as we sit on our new bar stools on the balcony and watch the fireworks. And I'm sure the bar will do a bang- up job as usual. Hopefully the weather will cooperate. Ha Ha.

But seriously folks, do remember how blessed we are to live in this wonderful country and enjoy the freedoms we do. Let's celebrate this Independence Day together at the Club!

Georgie

Hello,

Our AED dinner was a resounding success. I want to thank everyone for attending. The proceeds from the dinner have paid for the new AED. It is placed in plain sight on the wall across from the bar door, the oxygen tank with re-breather mask is right below it.

I want to thank Rick Wilson for reducing the price of the AED and donating the oxygen tank, and helping on the cooking crew. I want to thank Karen Berlin and Jennifer Lopez for their help with the demonstration. Rose Hazeltine donated Sarah Coventry Jewelry from 1965 and Sue Warden and Sandra Lochridge sold it to help purchase the AED, thank you.

The cooking crew did a great job, It included my husband David, Ed and Connie Calo, Tom Smith, myself and our leader Skip Harkson. Dave Lochridge did a great job as our DJ, thanks. Daphne and Ted Hetherington did our raffle with proceeds going to the cause, great job.

## Angler's Corner Frank Sullivan

### WSB pen Update:

We have deployed the net in Pen #1 to hold the WSB brood stock turned in by Anglers. Pen # 1 is the pen furthest from the shore. If you're interested in participating in collections of brood stock please contact me (Frank Sullivan). I will set you up with information and forms to track the captured fish. We will ask private boaters to make prior arrangements with us to get access to the pens. Last months issue outlined handling procedures for White Seabass Broodstock Collection. This can be a very satisfying way to give back to the fishery.

### Upcoming events:

Annual Guys vs. Gals Fishing tourney on Sunday July 26th: We will have this first time competitive torment between the men and women of CIYC. You may fish together or separately as you desire. If you are a boat owner and are willing to host some of the contestants please let me know. Also let me know if you have people lined up as crew and/or are willing to accept more folks.

Entry fee is \$10 and the prizes will be distributed at 50% for 1st place, 30% 2nd place, and 20% 3rd place. You may sign up at the CIYC Bar.

You may begin fishing at 00:01hours Weigh-in will be 16:00hours (4PM) at the CIYC and Prizes will be awarded at the YC Bar at 4 pm.

Good Luck, remember Tourney fish don't count for Big Fish of the Month, and so keep turning them in.

No fish was turned in for the Big Fish of the Month of June as of this going to press!

#### **"Big Fish of the Month"**

##### \$50 prize

is awarded at the end of every month...however; you can only win once per year. Legal fin fish only and no sharks.

#### **"Big Fish of the Year"**

At the end of the year there will be a Big Fish of the Year award for \$100.00. it does not have to be one of the monthly winners, it can be a tourney fish or not, so if you win one month don't quit, the next fish you catch may be worth \$\$\$\$

We are **taking signups NOW for the 7/18 BS&S course**. This is a 3 day course including a full day on navigation and knots. It includes 11 chapters which includes basic boating safety (7 chapters) usually taught plus: navigation, powering your boat, lines & knots, and your boats radio (communications). Time is short so **contact Richard Heller @ [rgheller@ojaexpress.net](mailto:rgheller@ojaexpress.net) , 805-640-1268** for more information or to sign up.

We are also **taking signups for the GPS class on 8/1**. This course requires a handheld GPS unit with map/chart capability. This is a hands-on course where you will learn both the theory and practical use of your GPS. By the end of class you will have programmed several waypoints, configured them into a route, set up your trip computer, enabled Trace, and walked the route. At the halfway point, you will reverse the route, enable traceback, and measure your distance and speed of travel on the walking cruise. **Contact Robert Holm** for more information and to signup for this class: [reholm@scualum.com](mailto:reholm@scualum.com) , **805-815-3216**

If your interest is sailing, the **Sailing Skills & Seamanship class** starts on 8/29. This 3 day class covers the basics of boating safety, the handling of a sailboat, and an overview of navigation and line handling (knots). It also has a tie in with a hands-on sailing course where you get on-the-water training (not a part of the CGAUX course). **Contact Dave Bowen @ 805-985-1457**

### **As I Remember--Dinghy Parties    Historian**

Some of the great times of CIYC's events have been associated with Dingy Parties and Brunches.

\* Dingy Party Brunch complete with music, food and drink was held on 4 joining Decks in the marina, there was a good turnout of members. 80-90 people arrived basically by dingy or other small boats. It was a good party with everyone having a good time eating, drinking, swimming and other party things. One of the members brought his 32 ft powerboat to the party. Things were going good. The skipper of the powerboat decided it was time for a boat ride and cast off, somehow he fell on the throttle resulting in a high rate of speed down the channel. Several docks and boats were not happy with the wake so they jumped around resulting in some damage. The skipper righted himself and returned to the location of the Dingy Brunch where a young lady wearing a wet suit fell overboard, as the party continued. Very little harm was done and the skipper agreed to pay for any damage.

\* A beautiful hot sunny day, some club members brought along toy water pistols and the water fight was on the way to a Dingy Party. The hot sun dried the water pistol water very rapidly, good times playing like little kids. Two other members equipped themselves with a portable pump similar to ones used by the Fire Dept and could send a stream of water 40 or 50 feet. The toy water pistols were soon out classed and the water fight was over, fun while it lasted.

\* Dinghy Party Luau at the marina home of Dan and Audrey Voss. The side yard was set up in a beautiful Hawaiian setting, Palm trees and Hula dancers swaying in the soft breeze. Music was provided by Buster and Bully and their troop of Hula dancers. Great entertainment, food and drinks were plentiful; CIYC probably got a few new members as a number of guests were in attendance at this party. Tables and chairs were transferred from CIYC'S Club-house for the event and they had to be returned after the party ended, that was tough duty after an afternoon of hard partying.

This Luau was attended by almost all of the club members, they came by dinghy, autos as well as larger boats as large docking space was available, one or two boats anchored in the channel and came ashore by dinghy. This party was in 1987 and there was very little traffic in the channel, docking was not a problem.

## **Hospitality Report**

We lost a lifetime member and good friend when **Bob Ross** passed away last month. He and his late wife Betty will be remembered as valuable members of CIYC for all that they contributed. Bob led us to many award winning years with his expertise on the Parade of Lights boat entries. Please keep his family in your thoughts and prayers.

There is a lot of activity going on in our club these days, so please take a minute to think about those who can not be here due to illness. Brent and Mary Sensabaugh and Ron and Rosemary Lippert are going through some serious health issues so please keep them in your thoughts. Frank Sullivan is doing well after having knee surgery last month.

With the Summer season upon us a lot of you are going or returning from fun excursions. Dan and Judy Jordan just returned from their tropical paradise home in Dominica looking rested and tan (not so much rest for Dan who worked on the house). Sue Warden is off and running to Cape Cod for a few months to recoup after Tom's accident (sorry Tom but good to see you up and about). Jim and Ann Carlson returned from a much needed vacation to Hawaii.

Hope the Summer is full of fun and sun for all of our members.

Please send me your news at [seabarb1@yahoo.com](mailto:seabarb1@yahoo.com).

# Bocce's Back

Yes, yes, Meg... It's Susie's turn to cry It's Susie's turn to cry...because Bocce's Back in town, Aye, Ayee, Look me in the Eye. It is I.. El Jefe, the Lord High Commissioner<sup>(1)</sup> of CYIC Bocce, due declare that there shall be Bocce Thursday nights all Summer. What' is more We shall have a Calendar, a Preseason, an Official season, a Doubles League and a Singles League, Multiple Division, and Tournaments, and Ladders, and Rules, and Uniforms, and Umpires, and Chairs, and Players, and Ringers, and Handicaps, and Guest Stars, and Guests, And Spectators, and Trash talk, and Medals, and Awards, and No F\*\*\* Badges and most of all Fun<sup>(3)</sup>.. And more than that...

There shall be...  
DOLLAR DOGS.

Yes, Yes .. Meg. My ambassadors are right this minute negotiating with the Hebrews to import several hundred all beef Nationals. So we will have all the dogs you can eat, every play night, for the price of \$1 cash each. We'll supply the onions catsup, and mustard<sup>(4)</sup>, but you'll have to put it on yourself, or there will be a surcharge.

And Yes, Yes ..Meg. Sir Borkowksi has promised to Have:

One Buck Beer..

Yes, yes Every Play night Jack has promised a special Draft in a big red Plastic cup for a mere dollar. Right now he won't promise a different brew every night, but he does guarantee a full, firm body and plenty of head. And of course , off the course, Mary Foster, as Head, on-the water activities, has guaranteed that there will always be plenty of Popcorn in the bar... for Free.

So this one's a gimme.. Roland. Even if you're not a Player. This is the cheapest date in town.. Dollar beer and dogs.. Free popcorn and entertainment... give you a tip...Including tips, it's cheaper than the 5-points drive-in and that's gone.
