4th Annual Calo Challenge Charity Classic Golf Tournament  
River Ridge Golf Course - Thursday, July 24

## Message From The Commodore Keith Moore

The Club has been very active this summer....., and the 4<sup>th</sup> of July is our favorite time of year to celebrate the summer boating season. **The British Brass Band** kicked off July with rousing patriotic music, and on the 4<sup>th</sup>, the Club's deck was a great place to watch the Harbor fireworks. The **Bocce Ball** tournament brings a crowd every Thursday and at the Bar on Friday nights, we have **Andy Cohen** playing the piano once a month. Also, don't forget **Joyce Sheridan** and **Barbara Brauns'** popular Friday-night fund-raiser program.

The **BeefEaters** New York Roast dinner was a sellout, including 19 visitors who joined us from the **Shoreline Yacht Club of Long Beach**. **Paul Paulin** and his **BeefEaters** crew: **Dave Gable**, **Dick Olsen**, **Paul & Ruth Hatcher**, apprentice **Bill Crier (Stretch)** and yours truly did a fantastic job. **Jim Cubberly**, our DJ, provided the background ambiance and dance music.

The **CIYC Nominating Committee** looks for your help to develop a list of candidates for the Board of Directors elections to be held in September. Feel free to share your ideas to improve the Club and your suggestions for nominees to the Board of Directors.

Also, it's the time of year to clear off old books from your night stand, end tables, and book case, as well as your boat, and drop them off at our library (just off the Lobby) to share with others.

*See you on Deck!*

**Keith Moore**     **Your Commodore** 805-551-0983

## Message From The Vice-Commodore Dave Wardlow

I want to thank all those that made the DVA event so special. We really came together to make this a very special event. The appreciation of those veterans was overwhelming. Thank you Wild Bill for such a great event. The Dingy Party was over the top. It was a great success thanks to Gary and crew. Bill and Lana Lynch offered another wonderful song circle with their friends and family. The fourth was pretty quiet as far as activity. Beefeaters dinner sounds like a sell out. Which is happening as I write this. The Epicureans are hosting dinner on August 2nd so please sign up. Cary is doing his favorite BBQ dinner with Country Dancing on the 9th of August. It is always a sell out so sign up early. Gary Johnson and crew do another Dingy party on the 16th so you better be there. They are fund raisers for the club and a hell of a good time. The Ladies, meaning Joyce Sheridan and Barbara Brauns are putting together another "Cool dinner social." August 23rd is a **Jail House Rock Social** so launder your favorite socks and come dance them off .

On another note, I regretfully step down from Vice Commodore due to the changes in the accounting area. A need for change was imminent, but the manner of change has created a situation that needs full attention to make it successful. I spent a week commuting to help make this change go forward. The time needed is more than I can do, considering my own business responsibilities, distance and cost of the commute. I have to pass the torch to someone who can implement our Commodore's wishes.

**It was my pleasure to serve you.**

**Thank you**

**Dave**

**Smooth Sailing and Happy Trails**

## Message From The Rear-Commodore Vidar Bech

### Racing or not so Racing

The Channel Islands to Marina del Rey Race started out very well. Michael Fleming did a great job coking the breakfast for the Skippers Meeting. PRO Bill Brayton instructed everybody on the rules and Al Berg from SMWYC informed the racers what to do if and when they made it to Marina del Rey. Committee boat again was **Valkyrie** with Fleet Captain Frank Sullivan. Starting crew were PRO Bill Brayton, Tom Warden, Cindy Arosteguy, Bob Ridenour and me. It went well, including the start of the Rum Run to Anacapa. Jane Thomas on **Liquid Asset** and Zoran Barbaric on **Tomahawk** represented our Club. After passing Point Dume, the wind died and Commodore Keith Moore on **Tomahawk** reported that bird feathers were floating past them on the water, giving them a feeling of going backwards. Captain Zoran decided to turn on the engines so they could continue to MDR and still make dinner. The same thing happened to Jane on **Liquid Asset** and her crew.

### Cruising

For those of you with a boat, you missed a great trip to Scorpion for the July 4 weekend. Mary Howard and Curt Ingram on **Magic**, LeeAnne and Charlie Clark on **Juliet**, Bill Brayton and Cindy Arosteguy on **Maverick** and Marnie and I on **BlueMast** made it out. The first afternoon was a little windy and after a cocktail party and potluck dinner on **Magic** it was a little tricky to get back on our boat with the dinghy and boat not willing to line up. Maybe the wine had something to do with that. The 4<sup>th</sup> was just beautiful, riding our dinghies to caves and visiting the Historic Museum ashore with island foxes running around. Celebration started with a cocktail party on the deck of **Maverick**, dinner party on **Juliet** and desert on **Blue Mast**. With a "little" wine and aquavit Charlie and I decided to fire some really outdated flares and also show Cindy and LeeAnne how to use them. It worked real well, so we had fireworks on the fourth. On Saturday, everybody except Marnie went for a long hike to Potato. What a beautiful trip and an impressive view of the ocean, cliffs and the Island. A cocktail hour on **Maverick** was a great ending to the weekend. The trip back home on Sunday was very uneventful, no wind and a flat ocean.

### Disabled Veterans Sail Day.

What a huge success put together by **Bill Brayton**. CIYC members came together to help, checking the veterans and their families in, serving breakfast, helping them to get on the boats and serving dinner to all of them. It was amazing how many captains showed up with their boats from other yacht clubs and from the docks and the pleasure they all got doing this for such a great group. The veterans were so grateful, especially the older ones. Our club was really showing their best.

### The Dinghy Party

What a great party! **Gary and Joyce Johnson** did a super job putting this together and working tirelessly to make it perfect. Cary Verstynen and Bill Kline took care of grilling, Elyse Gonnello and Bob Nast made up the rest of the crew. They all did a wonderful job. Rocking music by Curt Ingram, Tom Warden, Larry Stein, John Medlen and Bill Lynch, was just right for our age group. Cecily did a wonderful job taking care of the libation, Mary Foster and Marnie securing the funds. Sunday morning clean-up crew was Gary and Joyce, Elise, Michelle and Sam Bradford, Frank Sullivan, Les Hardwick, Bob Nash, Mary Foster, Marnie and me. Hope I got all of you and a big thank you to Ted and Judy Price for the use of their home and view. What a wonderful place and a successful party.

### Vidar, RC

# Anglers' Corner July 2014

*By Frank Sullivan*

## WSB Grow-out Pen Update:

Tuesday, July 29<sup>th</sup> through the 31<sup>st</sup> (3 days), we did a final count of the WSB in our Grow-out pens. We needed this much time because we estimated almost 10K fish in each pen, so we did one pen a day. We used the automatic counter and the sluice pipe again. Thank you to all of our volunteers who helped out each day. Derrick from Hubs Sea World Research Institute was there to help with this process. He was in charge of getting the length and weights of a sample of the fish and scanning for tags in them. He collected fish to take back to the DFW pathologist, so our fish can get cleared for release. Once our fish are cleared by the pathologist, we still be able to release them. We should be ready to release the fish in the third week of August.

## Fishing:

Gary Johnson did an exploratory Fishing trip on **Joy Sea** in July. He went to Santa Barbara Island for some Ocean White Fish and Rock Fish, then to San Nicholas Island for almost no fish. From there, they went to Santa Rosa Island for a couple of White Sea Bass and lost about a 40lb Halibut at the surface! They returned home on July 22<sup>nd</sup> to complete the circle.

## Big Fish of the Month:

Zoran Barbaric's WSB catch behind Anacapa Island is the Big Fish of the month of June. As this goes to print, no July fish has been submitted.

## Upcoming events:

September 12 <sup>th</sup>	Channel Islands Bill Fish Tourney Kickoff Dinner
September 13 <sup>th</sup> to 17 <sup>th</sup>	Channel Islands Bill Fish Tournament
September 19 <sup>th</sup>	Channel Islands Bill Fish Tourney Awards Dinner
November 22 <sup>nd</sup>	Anglers' Awards Scampi Dinner

When you are a CIYC Anglers' Club member you can win \$50.00 if you bring in the biggest Legal fish of the month, sharks, rays and tournament fish do not count. You can only win once a year, but as the Lotto people are fond of saying "you can't win if you don't play".

There is a scale in the shed where the ice machine is. All you have to do is weigh the fish in with a CIYC club member or bartender as witness and record the weight. Put the record in the Anglers mail box in the hall down stairs. If you like, call me on my Cell 805-205-4073 and I will witness your catch and take a photo for the Currents. You may also e-mail me the photos and details.

You may also win the Big Fish of the year if you turn in the largest fish before the Anglers awards dinner in November. The Big fish of the year does not have to have been a big fish of the month winner and may be a tournament fish.

## Message From First Mate Vera Cline

### Greeting Islanders,

The Channel Islanders have something very unique planned for our members on **September 21st**. The Channel Islanders is hosting a traditional Afternoon Tea complete with tea sandwiches, scones, petit fours, and assorted fruits. Entertainment for the afternoon will be “Fashion Memoirs of a Pioneer Woman.” In conjunction with the Oxnard Heritage Square, this is an **historical fashion show** based on the life of local pioneer woman, Annette Petit Laurent. “Annette” shares with us her life as an early settler from France to Ventura County through the fashions of the day from the **1850’s through 1913**. There will be authentic vintage clothing on display and faithful reproductions worn by the live models.

I am sure all of you ladies have some fine china set aside for “company.” These sets of dishware are stored in our cabinets just waiting to be brought out and admired. Well, this historic event is just the time to bring out that fine china. If you have a set that includes cups, saucers, small plates (bread and butter plates or dessert plates), creamer and sugar bowl and maybe even a small platter, the Channel Islanders would love to borrow those pieces for the afternoon. Your dishware will be under your constant supervision. Each table setting will be different and have a distinct look.

Also, for your enjoyment, we will have vendors displaying a variety of wares for your discriminating taste that you may wish to purchase. And, there will be drawings for some great prizes.

We are in the early stages of organizing this event, and we are confident that this is going to be a very well attended event and you will be hearing more as our plans are formalized. So, look out for bustles, hoop skirts and corsets and start practicing drinking tea with your pinkie held high.

**Vera Cline,**  
**First Mate, 2014**

## **Doc Lines**

### **Measles Vaccine & Cancer**

There is exciting news from the Mayo Clinic. A woman with multiple myeloma, an incurable type of blood cancer, was not responding to any type of conventional therapy, including radiation and chemotherapy. The distributed lumps of cancerous tumor were everywhere, even behind her forehead, compressing the brain.

In desperation, the doctors decided to give her a fortified measles vaccine. How much fortified? Enough to vaccinate one million individuals against measles. But it is also an engineered virus (MV-NIS), which was designed to be selectively toxic to myeloma cells.

The response was dramatic. In a day or two, the patient developed a high fever. The multiple myeloma cells started bursting and the cancerous lumps melted away. An incurable patient is now cancer-free. After one injection! Truly remarkable!!!

Re-engineered viruses, to fight cancer, have been tried before (oncolytic virotherapy), but they were largely unsuccessful.

Now, this is just a case report, but it will immediately initiate clinical trials with other patients with the same disease, and also for patients with all kinds of other types of cancers. This discovery deserves to be followed for further developments.

### **MS and Stem Cell Treatment In Mice**

Multiple Sclerosis is an auto-immune disorder whereby myelin, the insulating tissue around nerve fibers, is attacked and stripped away. Nerves can no longer transmit impulses, leading to symptoms such as motor dysfunction.

Scientists at the University of Utah injected genetically-engineered mice (with all the symptoms of MS) with human stem cells. Within less than two weeks, the paralyzed mice were walking again. Six months later there was no relapse.

The thinking is that chemical signals from the stem cells instructed each mouse's own cells to repair the damage. They identified a protein called TGF-beta that might have been responsible. So research now can concentrate on using the patient's own stem cells, or, more likely, developing a drug based on the TGF-beta protein. It will be interesting to follow up on this line of research, but it will take some time to see if it does work in humans.

**Your Fleet Surgeon, Zoran**

**Thanks to Erika for editin.**

## GET YOUR CRUISE ON!

**Magic:** CIYC cruisers on Curt & Mary's Magic for the first course of the progressive dinner on the 4th. We had homemade jalapeno hummus and smoked oysters. Vidar Bech, Rear Commodore & Marnie, Mary Howard, Treasurer with Little Gracie, LeeAnne Clark, Dive Captain, Cindy Arosteguy, Cruise Director with Little Bobbi, Charlie Clark & Bill Brayton, PRO and Curt Ingram snapping that perfect shot.

**Anchorage:** Blue Mast, Magic, Juliet and Maverick joined in at Little Scorpion for the 4th of July festivities on Santa Cruz Island.

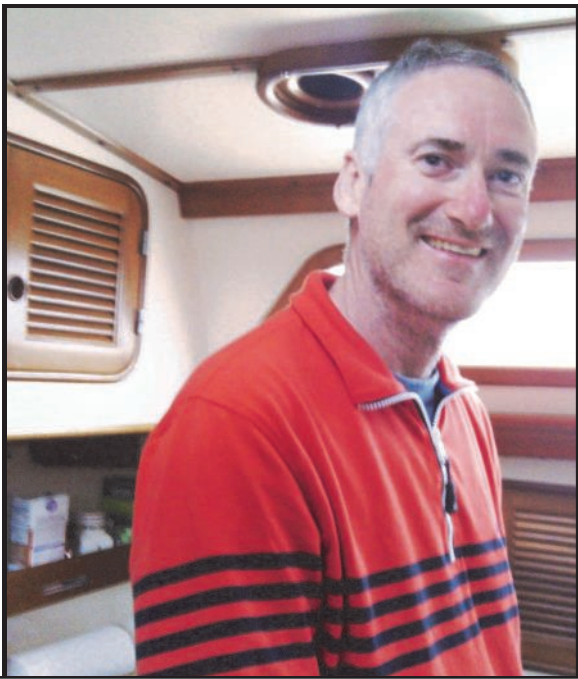

July 4 thru July 6

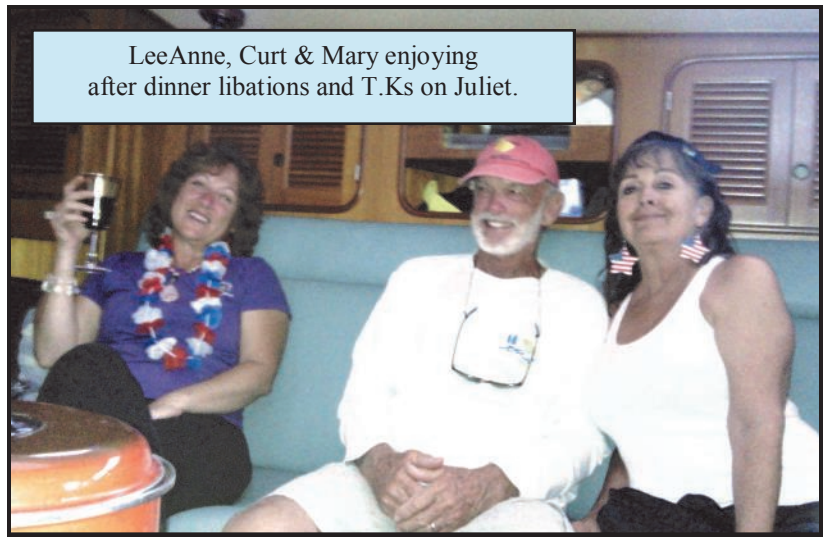

Vidar, LeeAnne and Bubba enjoying the main course on Juliet. We had homemade vegetarian chili, potato salad and bbq'd chicken legs.

Charlie in charge of the dishes - every woman's dream!

LeeAnne, Curt & Mary enjoying after dinner libations and T.Ks on Juliet.

Cruisers decided to become landlubbers on Saturday for a four mile hike up to Potato Bay lookout. Bill, Curt, Mary, Vidar with Cindy snapping the picture as we start our adventure.

We made it and it was worth it!

Wow - is this Cancun or Santa Cruz Island?

**GET YOUR CRUISE ON!**

July 4 thru July 6

## T.G.I.F.

**August 29th will be the next running of the fillies.**

**We offer the traditional fish fry for \$10 at 6:30**

or if you prefer your fish baked let Joyce know in advance.

**The races will be run immediately after dinner.**

Come out to support your favorite nag,  
number or jockey.

Raffle prizes, betting and fun are the  
order of the day.

Thanks for your support.

**Joyce Sheridan and Clark Owens**  
**co-chairpersons**

### THANK YOU TO CAR CLUB BOOTH TEAM

On July 20, 2014, CIYC had a membership booth in the middle of the Central Coast British Car Show at the Harbor.

We had a number of prospective club members drop by. We wish to thank all who helped with setting up the tables, the canopy and chairs, and participate in our membership drive for CIYC.

Special thanks goes to Penny Lipp, Bob Nast, Cary Verstynen, Bob Ridenour, Tom Warden, and Laurie Preston. Even Elyse Gonnello and Jan Bryant stopped by for a visit.

Dinghy Party - June 28

Dinghy Party - June 28

## Interview with Bev and John Richardson

**By: Dan Jordan**

What led you to join CIYC?

Bev and John Richardson were led to join CIYC because they “had heard that CIYC was a welcoming club, and when we visited during the Open House held during Marina Fest we found that to be true.” They found out about CIYC when “a friend from the local boating community told us about it, and then we visited the booth at Marina Fest.”

John and Bev are long time boaters. John's interest in boating started in 1970 when the company he worked for transferred him to Florida. Bev started boating on the Potomac River in the late 1960's and later moved to Florida, where she met John. They clearly found a common interest in being on the water.

John's first boat was an 18' runabout he owned with a friend. The first he owned alone was also an 18' tri-hull he used for fishing off the Florida Gulf Coast and also for skiing on the Inter Coastal Waterway. He and Bev took this tri hull to the Florida keys for fishing, diving, and skiing. His company then transferred him to an inland job, marking the end of serious boat for many years, but John continued fishing whenever he was close to a coastal region.

John and Bev moved to California in 1984, and he changed careers, becoming a full time citrus grower. John retired from the citrus business two years ago and now has a 40' Black Watch. John says this is his ideal boat. If they could "cast off the dock lines" for an extended period, Bev and John would take a world cruise, but it would have to be on a boat with fewer than 100 passengers.

About club activities, John definitely wants to get involved with the Anglers, and Bev will likely start to help with some of the cooking events. About CIYC itself, they say “We have been members of CIYC for less than two weeks, but so far we would recommend the club to others. We would mention the numerous activities available, the welcoming and inclusive nature of the group, and the overall enthusiasm shared by the members we have met.”

If you see them around, be sure to welcome Bev and John as new members!
